The Department of Forests and Waters is also authorized to add to the area of State forests in a county through purchase, when funds are available, at prices not to exceed five dollars (\$5.00) per acre, and it is also empowered to make such exchanges of land as in its judgment will benefit the State forests.

Purchase
of lands.

Section 8. In every county where State forests are established, the Department of Forests and Waters, acting in coöperation with the board of county commissioners, shall appoint a local State Forest Advisory Council for that county. This council shall consist of nine persons, who shall serve without pay, and whose duties shall be educational and advisory. As far as possible, the council should include public spirited residents of the county from the following walks of life:

Local State
Forest Advisory
Council.

1. A farmer working on a farm in the county.
2. A woodworker in the forests of the county.
3. A teacher from a rural school.
4. A teacher from a high school or college in the county.
5. A logger or sawmill man operating in the county.
6. A labor union delegate from a labor union in the county.
7. A worker from a wood-using industry in the county.
8. A representative from a sportsmen's organization in the county.

It shall be the duty of this council to be the intermediary between the people of the county and the representative of the Department of Forests and Waters administering the State forests in the county. The appointments to the council shall be for three years, and shall rotate by having three new appointments and three terminations occur annually.

Section 9. All acts and parts of acts inconsistent herewith are hereby repealed.
