Section 514. Sale of Real Estate and Grants of Rights of Way or Other Rights Over or in Real Estate; *Tapping Water Lines of Institutions and Sanatoria.*— (a) Except as otherwise in this act expressly provided, a department, board, or commission, shall not sell or exchange any real estate belonging to the Commonwealth, or grant any easement, right of way, or other interest over or in such real estate, without specific authority from the General Assembly so to do, but a department, board, or commission may, with the approval of the Governor, grant a license to any public service corporation to place upon, in, or over, any land or bridge of or maintained by the Commonwealth, any public service line, if such line will enable any State building or State institution to receive better service, or if such line is necessary for the service of persons living adjacent to the Commonwealth's land upon, in, or over which it is proposed to run the line or, if the running of such line over a bridge will be more economical than the erection of a separate bridge for the line. Every such license shall be revocable upon six months written notice by the Commonwealth, and upon such other proper terms and conditions as the department, board, or commission, with the approval of the Governor, shall prescribe, and unless any such line is primarily for the benefit of a State building or State institution, the license shall provide for the payment to the Commonwealth of compensation for the use of its property in such amount as the department, board, or commission granting it shall, with the approval of the Governor, prescribe.

(b) Any department, board, or commission, having control over lands of the Commonwealth underlaid with veins of coal, may, with the approval of the Governor, exchange part of such coal for coal in place, owned by private interests, which may be necessary to insure lateral or surface support for any building, reservoir,

or structure erected or to be erected on such lands of the Commonwealth: Provided, That the coal given by the department, board, or commission, to private interests, shall be approximately equivalent in value to the coal received in exchange therefor; every such department, board, or commission is hereby authorized and empowered to execute and deliver and to receive legal instruments and deeds necessary to effectuate any exchange authorized hereunder, which instruments and deeds shall have the prior approval of the Department of Justice, and a copy thereof shall be filed with the Department of Internal Affairs.

(c) Any department, board, or commission, having control over any water supply serving any State institution or sanitorium, may, with the approval of the Governor, permit and authorize the public authorities of any political subdivision, to which no other source of supply is available, under suitable regulations, to tap the lines of any such water supply for the purpose of supplying water to the people of any community living in proximity to such institution or sanitorium, and may impose reasonable charges payable periodically by such political subdivision for the water so furnished. All moneys, received under the provisions of this clause, shall be paid into the State Treasury through the Department of Revenue.
