(5) "Receipts." Cash, credits, property of any kind or nature, received in or allocable to a school district of the first class from any business or by reason of any sale made or services rendered or commercial or business transaction had within a school district of the first class, without deduction therefrom on account of the cost of property sold, materials used, labor, service, or other cost, interest or discount paid, or any other expense. "Receipts" shall exclude (a) the dollar volume of annual business covering the resale of goods, wares or merchandise taken by a dealer as a trade-in or as part payment for other goods, wares and merchandise in the usual and ordinary course of his business, except to the extent that the resale price exceeds the trade-in allowance; (b) in the case of a financial business, the cost of securities and other property sold, exchanged, paid at maturity, or redeemed, and moneys or credits received in repayment of advances, credits and loans, but not to exceed the principal amount of such advances, credits and loans, and shall also exclude deposits, and in the case of building and loan or savings and loan associations, payments received on account of shares purchased by shareholders; (c) in the case of a broker, any commissions paid by him to another broker on account of a purchase or sales contract initiated, executed or cleared in conjunction with such other broker; (d) the receipts or the portion thereof attributable to any sale involving the bona fide delivery of goods, commodities, wares or merchandise of the taxpayer's own manufacture, growth or produce, to a location regularly maintained by the other party to the transaction outside the limits of such school district, and not for the purpose of evading or avoiding payment of the tax or any portion thereof imposed under this act; (e) *in the case of a person who at the execution of a contract for the sale in a natural state of the produce of a mine does not have title thereto and does not at any time take possession thereof, the cost to him of the produce of a mine covered by the contract.* For the purpose of determining taxable receipts from sales made by a manufacturing corporation of goods, commodities, wares and merchandise of its own manufacture through a wholly owned distributing corporation,

such sales shall be treated as if made directly by the manufacturing corporation to the vendees of the distributing corporation. For the purpose of determining taxable receipts from sales made by a manufacturing corporation of goods, commodities, wares and merchandise of its own manufacture made through a distributing corporation, such sales shall be treated as if made directly by the manufacturing corporation to the vendees of the distributing corporation, if a majority of the shares of stock of both the manufacturing corporation and the distributing corporation is owned by the same individual, association or corporation. For the purpose of determining receipts from the business of insurance, such receipts shall mean those from premiums received from risks within the school district of the first class, whether by mutual or stock companies, domestic or foreign, without any deductions therefrom for any cost or expense whatsoever. The collector shall determine from such data as he shall require from insurance companies subject to this act, the amount of such receipts, and shall ascertain the amount of the tax in accordance with such determination.

Section 2. The provisions of this act shall become effective immediately upon final enactment; and shall be retroactive until the first day of January, one thousand nine hundred fifty.

Act effective immediately.

Retroactive effect.

APPROVED—The 22nd day of August, A. D. 1953.
