No. 348

AN ACT

Amending the act of March 10, 1949 (P. L. 30), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," further providing for the determination of tuition charges for pupils of other districts.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Public School
Code of 1949.

Section 1. Section 2561, act of March 10, 1949 (P. L. 30), known as the "Public School Code of 1949," amended April 12, 1951 (P. L. 217), August 19, 1953 (P. L. 1169) and October 14, 1955 (P. L. 704), is amended to read:

Section 2561, act
of March 10,
1949, P. L. 30,
amended April
12, 1951, P. L.
217, August 19,
1953, P. L. 1169,
and October 14,
1955, P. L. 704,
further amended.

Section 2561. Tuition Charges for Pupils of Other Districts.—A school district or vocational school district receiving elementary or high school pupils or vocational or other extension education pupils who are residents of another school district or another vocational school district shall compute the tuition charges as follows:

(1) General. Add the salaries of secretaries, treasurers, auditors, superintendents, the cost of library books, the salaries of librarians, lectures, health, medical, nurse and dental services, the wages of janitors, and other comparable employes, the cost of fuel, water, light and power, telephone rentals and tolls, the cost of maintenance of school plant, including ordinary repairs, but not including alterations or remodeling, the cost of care of school grounds, premiums on fire and workmen's compensation insurance, the cost of attendance at teachers' institutes, and the district's contribution to the retirement fund and social security contribution fund on behalf of the above listed employes incurred for the school year immediately preceding, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's public schools during the school year immediately preceding. The quotient so obtained shall be designated the "overhead cost per pupil."

(2) Elementary Tuition Charge. Add the salaries of supervisors, principals, clerks, assistants and teachers

employed in the receiving district's elementary schools, the district's contribution to the retirement fund *and social security contribution fund* on behalf of teachers, supervisors and principals employed in the district's elementary schools, the cost of textbooks, and supplies of the second class used in the district's elementary schools *incurred for the school year immediately preceding*, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's elementary schools *during the school year immediately preceding*. The quotient so obtained shall be designated as the "instruction cost per elementary pupil." Add to the instruction cost per elementary pupil, the overhead cost per pupil and a rental charge of eight dollars (\$8) per pupil for the use of the receiving district's school plant. For the school years 1952-1953 and 1953-1954 only, but not thereafter, deduct from the amount so obtained the per pupil State appropriation on account of elementary school teaching units. The cost so determined shall be the "tuition charge per elementary pupil."

(3) High School Tuition Charge. Add the salaries of supervisors, principals, clerks, assistants and teachers employed in the receiving district's high schools, the district's contribution to the retirement fund *and social security contribution fund* on behalf of teachers, supervisors and principals employed in the district's high schools, the cost of textbooks and supplies of the second class used in the district's high schools *incurred for the school year immediately preceding*, and divide the sum so obtained by the total number of pupils in average daily membership in the receiving district's high schools *during the school year immediately preceding*. The quotient so obtained shall be designated as the "instruction cost per high school pupil." Add to the instruction cost per high school pupil the overhead cost per pupil and a rental charge of eighteen dollars (\$18) per pupil for the use of the receiving district's school plant. For the school years 1952-1953 and 1953-1954 only, but not thereafter, deduct from the amount so obtained the per pupil State appropriation on account of high school teaching units. The cost so determined shall be the "tuition charge per high school pupil."

(4) Vocational or Other Extension Tuition Charge. Add the salaries of administrators, supervisors, instructors, clerks and custodians specifically employed in the school district's or vocational school district's annual program of Vocational or other Extension Education, the cost of textbooks, and supplies of the second class issued for the program *incurred for the school year immediately preceding*. A charge of five cents (.05) per pupil hour of instruction for the district overhead and

plant usage. Subtract from the sum so obtained the amount of State appropriation applicable. The remainder shall be designated as the "district cost for vocational or other extension education." Determine the total pupil hours of instruction *during the school year immediately preceding*, divide the "district cost for vocational or other extension education" by the total pupil hours of instruction. The cost so determined shall be the "vocational or other extension tuition charge per pupil hour of instruction."
