A SUPPLEMENT

To the act of April 1, 1863 (P. L. 213), entitled "An act to accept the grant of Public Lands, by the United States, to the several states, for the endowment of Agricultural Colleges," making an appropriation for carrying the same into effect.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Public lands grant for endowment of Agricultural Colleges.
Appropriations to Pennsylvania State University.

Section 1. In order to carry into effect the act of Congress, approved July 2, 1862, granting public land to the several states for educational purposes, and subsequent acts of Congress related thereto, and the act of the Legislature of Pennsylvania, approved April 1, 1863, and subsequent acts of the Legislature of Pennsylvania, accepting the provisions and conditions of said acts of Congress and pledging the faith of the State to carry the same into effect, the sum of thirty-four million two hundred seventy-seven thousand three hundred thirty-five dollars (\$34,277,335) is hereby appropriated for the fiscal biennium beginning June 1, 1959, to the trustees of the Pennsylvania State University for the following purposes:

(1) For the general maintenance of instruction, research and extension in the College of Agriculture, the Mont Alto State Forest School, the College of Business Administration, the College of Engineering and Architecture, the College of Liberal Arts, the College of Home Economics, the College of Mineral Industries, the College of Chemistry and Physics, the College of Education, the Graduate School, the College of Physical Education and Athletics, the General Extension Services, and for

the general maintenance of other schools, departments, offices and services, including repairs and improvements to the grounds and buildings, service of light, heat, power, water and sewage disposal, salaries and wages, materials, supplies, equipment, books and periodicals, insurance and interest, and such other expenditures as the trustees may deem necessary and practicable, the sum of thirty-three million seven hundred thirty-two thousand three hundred thirty-five dollars (\$33,732,335).

(2) For the use of the College of Agriculture, for expenditure by the Agricultural Experiment Station, for the support of research and investigation directed toward the development and production of superior strains of crops and livestock, and to develop more efficient methods of producing and marketing such products, the sum of one hundred fifty thousand dollars (\$150,000).

(3) For the maintenance and the support of research and experimental investigation on problems relating to the petroleum industry of the State, the sum of one hundred thousand dollars (\$100,000).

(4) For the purpose of carrying on research and investigation to discover by-products of anthracite and bituminous coal and uses therefor, of developing new scientific, chemical, industrial, domestic and other uses, and new and extended markets for anthracite coal and its products, and for employing engineers, chemists, technical experts, assistants, clerks, stenographers and other employes, and purchasing such machinery, supplies, equipment, apparatus and other things necessary in the furtherance of the aforesaid research and investigation to be used by the College of Mineral Industries under the supervision of the State Department of Mines and Mineral Industries, the sum of seventy thousand dollars (\$70,000). The moneys appropriated by this clause shall be available and expended only to the extent that a sum equal to fifty per centum of the amount to be expended by the Commonwealth is contributed to the Pennsylvania State University by the members of the anthracite and bituminous coal industry. Affidavits evidencing such contributions shall be submitted by the University to the Auditor General.

(5) For the support of research and investigation of basic problems affecting the slate and other non-metallic mineral industries, the sum of thirty-five thousand dollars (\$35,000).

(6) For the support of research and investigation of long-range basic problems affecting the mineral industries, the sum of thirty-two thousand five hundred dollars (\$32,500).

(7) For the purpose of matching money contributed by industry to the College of Mineral Industries for research and investigation of long-range problems affecting the mineral industries, the sum of fifty-seven thousand five hundred dollars (\$57,500). No more shall be expended from this item than may be required to match an equal sum contributed to the University by one or more industries for such research and investigation. Affidavits evidencing such contributions shall be submitted by the University to the Auditor General.

(8) For the use of the School of Agriculture for expenditure by the Agriculture Experiment Station for the erection of experimental mushroom houses and research in the communicable diseases of mushrooms and other phases of the mushroom industry, the sum of fifty thousand dollars (\$50,000).

(9) For the use of the School of Agriculture for expenditure by the Agriculture Experiment Station for research and investigation of mastitis in dairy cattle, the sum of fifty thousand dollars (\$50,000).

APPROVED—The 21st day of November, A. D. 1959.
