L. 30), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," permitting additional methods of sharing annual lease rentals for projects constructed for more than one school district.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Public School Code of 1949.

Section 1. Subsection (d), section 2574, act of March 10, 1949 (P. L. 30), known as the "Public School Code of 1949," added March 22, 1956 (P. L. 1315), is amended to read:

Subsection (d), section 2574, act of March 10, 1949, P. L. 30, added March 22, 1956, P. L. 1315, further amended.

Section 2574. Approved Reimbursable Rental for Leases Hereafter Approved and Approved Reimbursable Sinking Fund Charges on Indebtedness.— \* \* \*

(d) For purposes of calculating the amount of rental reimbursement the approved reimbursable rental for a school project constructed for two or more school districts shall annually be apportioned among the par-

participating districts on the basis of the proportion which the valuation of each district as certified by the state tax equalization board during the preceding school year bears to the total valuation of all participating districts. *In special cases where the best interests of the Commonwealth and of the school districts will be better served by permitting the districts to establish for themselves some method other than market valuation as the basis for determining their respective shares of the annual lease rental, the Superintendent of Public Instruction may issue a special order approving such method of sharing the rental and authorizing that the rental reimbursement for that particular project shall be calculated on the basis of the proportionate share of rental actually paid by each district.*
