Section 12. Limited waiver of local requirements.

(a) **Waivers for current itemizations.**—The limitation on Department of Transportation funding of capital projects under 74 Pa.C.S. § 1302(4) (relating to program authorizations) shall be totally waived for the capital projects in the category of transportation assistance projects for mass transit contained in section 5(a)(15)(v), (vi), (vii), (xiv), (xv) and (xvii), (16)(i) (ii), (iii), (xiii), (xiv) and (xv) and (21)(i).

(b) **Waiver for 1992 itemization.**—

(1) Notwithstanding any provision to the contrary, there shall be no local match-funding requirement for Phases I and II of the national magnetic levitation prototype proposal and development, as described in section 5(b)(15)(i)(B) of the act of December 28, 1992 (P.L.1694, No.188), known as the Capital Budget Project Itemization Act of 1991-1992.

(2) The Department of Transportation shall select a contractor for the project described in section 5(b)(15)(i)(B) of the Capital Budget Project Itemization Act of 1991-1992. Such selection shall be based on the following criteria: the contractor must have extensive knowledge of magnetic levitation technology and have been incorporated in this Commonwealth for at least six years for the express purpose of developing magnetic levitation technology; the contractor must also have demonstrated an ability to attract multimodal private sector investment, including corporate and labor support, with participation of a major U.S. passenger airline company; the contractor must also have demonstrated an ability to obtain Federal, State and local funding for magnetic levitation development.

Section 13. Special provisions.

(a) **Delegation and exemption.**—Notwithstanding any provisions of law to the contrary, the Department of General Services may delegate the design and construction of the project contained in section 3(2)(i)(A) to the entity with which a lease has been negotiated for the operation of the facility to be converted. In addition, the project contained in section 3(2)(i)(A) is exempt from the provisions of the first paragraph of section 1 of the act of May 1, 1913 (P.L.155, No.104), entitled “An act regulating the letting of certain contracts for the erection, construction, and alteration of public buildings,” and any provisions of law requiring the bidding of projects.

(b) **Lease of project.**—The Department of General Services is authorized to enter into a lease arrangement, which is of at least 20 years’ duration and which may contain options to renew the lease, with an entity for the operation and maintenance of the project authorized in section 3(2)(i)(A).

Section 14. Debt authorization.

(a) **Public improvements.**—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in

addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$2,378,345,000 as may be found necessary to carry out the acquisition and construction of the public improvement projects specifically itemized in a capital budget.

(b) Furniture and equipment.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$54,390,000 as may be found necessary to carry out the public improvement projects consisting of the acquisition of original movable furniture and equipment specifically itemized in a capital budget.

(c) Transportation assistance.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$958,633,000 as may be found necessary to carry out the acquisition and construction of the transportation assistance projects specifically itemized in a capital budget.

(d) Redevelopment assistance.—Subject to the limitation in section 1616.1-B(b) of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, the Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$2,527,774,000 as may be found necessary to carry out the redevelopment assistance and the redevelopment capital assistance projects specifically itemized in a capital budget.

(e) Flood control.—The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow from time to time in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of \$122,741,000 as may be found necessary to carry out the acquisition and construction of the flood control projects specifically itemized in a capital budget.

Section 15. Issue of bonds.

The indebtedness authorized in this act shall be incurred, from time to time, and shall be evidenced by one or more series of general obligation bonds of the Commonwealth in such aggregate principal amount for each series as the Governor, the Auditor General and the State Treasurer shall determine, but the latest stated maturity date shall not exceed the estimated useful life of the projects being financed as stated in section 16.

Section 16. Estimated useful life and term of debt.

(a) **Estimated useful life.**—The General Assembly states that the estimated useful life of the public improvement projects itemized in this act is as follows:

- (1) Public improvement projects, 30 years.
- (2) Furniture and equipment projects, 10 years.
- (3) Transportation assistance projects:
 - (i) Rolling stock, 15 years.
 - (ii) Passenger buses, 12 years.
 - (iii) Furniture and equipment, 10 years.
 - (iv) All others, 30 years.

(b) **Term of debt.**—The maximum term of the debt authorized to be incurred under this act is 30 years.

Section 17. Appropriations.

(a) **Public improvements.**—The net proceeds of the sale of the obligations authorized in this act are hereby appropriated from the Capital Facilities Fund to the Department of General Services in the maximum amount of \$2,378,345,000 to be used by it exclusively to defray the financial cost of the public improvement projects specifically itemized in a capital budget. After reserving or paying the expenses of the sale of the obligation, the State Treasurer shall pay to the Department of General Services the moneys as required and certified by it to be legally due and payable.

(b) **Furniture and equipment.**—The net proceeds of the sale of the obligations authorized in this act are hereby appropriated from the Capital Facilities Fund to the Department of General Services in the maximum amount of \$54,390,000 to be used by it exclusively to defray the financial cost of the public improvement projects consisting of the acquisition of original movable furniture and equipment specifically itemized in a capital budget. After reserving or paying the expenses of the sale of the obligation, the State Treasurer shall pay to the Department of General Services the moneys as required and certified by it to be legally due and payable.

(c) **Transportation assistance.**—The net proceeds of the sale of the obligations authorized in this act are hereby appropriated from the Capital Facilities Fund to the Department of Transportation in the maximum amount of \$958,633,000 to be used by it exclusively to defray the financial cost of the transportation assistance projects specifically itemized in a capital budget. After reserving or paying the expense of the sale of the obligation, the State Treasurer shall pay to the Department of Transportation the moneys as required and certified by it to be legally due and payable.

(d) **Redevelopment assistance.**—The net proceeds of the sale of the obligations authorized in this act are hereby appropriated from the Capital Facilities Fund to the Department of Community and Economic Development in the maximum amount of \$2,527,774,000 to be used by it exclusively to defray the financial cost of the redevelopment assistance and redevelopment capital assistance projects specifically itemized in a capital budget. After

reserving or paying the expenses of the sale of the obligation, the State Treasurer shall pay to the Department of Community and Economic Development the moneys as required and certified by it to be legally due and payable.

(e) Flood control.—The net proceeds of the sale of the obligations authorized in this act are hereby appropriated from the Capital Facilities Fund to the Department of Environmental Protection in the maximum amount of \$122,741,000 to be used by it exclusively to defray the financial cost of the flood control projects specifically itemized in a capital budget. After reserving or paying the expense of the sale of the obligation, the State Treasurer shall pay to the Department of Environmental Protection the moneys as required and certified by it to be legally due and payable.

Section 18. Federal funds.

(a) Projects itemized in this act.—In addition to those funds appropriated in section 17, all moneys received from the Federal Government for the projects specifically itemized in this act are also hereby appropriated for those projects.

(b) Projects not requiring itemization.—Department of Military and Veterans Affairs construction projects which are totally federally funded but which are to be administered by the Department of General Services are hereby authorized.

(c) Projects to be completed with Federal funds only.—Federal funds in the amount of \$14,501,000 are authorized for the construction of a barracks complex in Lebanon County for the Department of Military and Veterans Affairs. Federal funds in the amount of \$3,516,000 are authorized for the construction of a Regional Maintenance Facility in Scranton, Lackawanna County, for the Department of Military and Veterans Affairs.

Section 19. Prioritization of public improvement projects.

The public improvement projects authorized in this act shall be prioritized by the Department of General Services in such manner as to ensure that at least 25% of the total financial cost of public improvement projects approved for design and/or construction in any one fiscal year shall be for new construction projects, and at least 25% of the total financial cost of public improvement projects approved for design and/or construction in any one fiscal year shall be for the major renovation and retrofit of existing facilities.

Section 20. Expiration of authorization and appropriation.

The authorization and appropriation for the additional capital projects itemized in sections 3, 4, 5, 6, 7, 8, 9 and 10 for which construction contracts have not been executed within four years of the effective date of this act shall expire upon such date and shall be considered repealed. The Secretary of the Budget may extend an expired project for up to one year upon written notification of the majority chairman and minority chairman of the Appropriations Committee of the Senate and the majority chairman and minority chairman of the Appropriations Committee of the House of

Representatives. Upon expiration of the extension period, an extended project may not be subsequently extended.

Section 21. Special contract provisions.

Notwithstanding any provisions of law to the contrary, the Department of General Services may, to facilitate project management, conflict resolution and timely project completion, contract for construction management services for the construction of a 500-cell maximum security juvenile detention facility to be located in Western Pennsylvania, to be known as the State Correction Facility at Indiana for Juvenile Offenders, for the construction of the 1,000-cell medium security facility in Forest County and for the construction of a 1,236-cell close-security facility in Western Pennsylvania.

Section 22. Coordination.

The program provided for in section 3(14)(iv)(A) and (B) shall be developed in conjunction with the project referenced in section 5(b)(15)(i)(B) of the act of December 28, 1992 (P.L.1694, No.188), known as the Capital Budget Project Itemization Act of 1991-1992, subject to the conditions set forth in the act of June 28, 1993 (P.L.134, No.31), known as the Capital Budget Act of 1993-1994.

Section 23. Delegation and exemption of public improvement projects.

For the public improvement projects specifically itemized in section 3(14)(xviii) and section 3(9)(ii) of the act of July 2, 1993 (P.L.265, No.47), known as the Capital Budget Project Itemization Act of 1993-1994, the Department of General Services shall, within 60 days of the effective date of this act, delegate the authority to construct, improve, equip, furnish, maintain, acquire or operate such projects to the Philadelphia Regional Port Authority. Notwithstanding any provision of law to the contrary, the Philadelphia Regional Port Authority, at its discretion and subsequent to the aforementioned delegation, may contract with one or more of the tenant companies leasing or operating port facilities at the Port of Philadelphia for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring or operating the public improvement projects specifically itemized in section 3(14)(xviii) and section 3(9)(ii) of the Capital Budget Project Itemization Act of 1993-1994. In addition, the projects contained in section 3(14)(xviii) and section 3(9)(ii) of the Capital Budget Project Itemization Act for 1993-1994 shall be exempt from the first paragraph of section 1 of the act of May 1, 1913 (P.L.155, No.104), entitled "An act regulating the letting of certain contracts for the erection, construction, and alteration of public buildings," the provisions of the act of March 3, 1978 (P.L.6, No.3), known as the Steel Products Procurement Act, and any provisions of law requiring the bidding of projects.

Section 24. Repeals.

The following acts and parts of acts are repealed:

Section 3(1)(i)(A) and (12)(ii)(A) of the act of July 10, 1986 (P.L.1285, No.118), known as the Capital Budget Project Itemization Act for 1984-1985.

Section 3(3)(v)(A)(VI) and (5)(clix)(B) and (C) of the act of October 21, 1988 (P.L.851, No.113), known as the Capital Budget Project Itemization Act for 1987-1988.

Sections 3(4)(ii)(A)(II) and 6(1)(iii)(A) of the act of December 28, 1992 (P.L.1694, No.188), known as the Capital Budget Project Itemization Act of 1991-1992.

Sections 3(7)(vi)(A) and 5(b)(19)(i)(A) of the act of July 2, 1993 (P.L.265, No.47), known as the Capital Budget Project Itemization Act for 1993-1994.

Sections 3(4)(i)(A) and (ii)(E) and (6)(v)(A), 6(3)(ii)(A) and 7(1)(ii)(A), (iv)(A) and (x)(A) of the act of July 8, 1994 (P.L.444, No.74), known as the Capital Budget Project Itemization Act for 1994-1995.

Section 68(k)(1) of the act of December 12, 1994 (P.L.962, No.136), known as the First Supplemental Capital Budget Project Itemization Act of 1994-1995.

Section 25. Editorial changes.

In editing and preparing this act for printing following the final enactment, the Legislative Reference Bureau shall insert or revise letters or numbers for projects where the letters or numbers are missing or require revision. The bureau shall also revise the total monetary amounts for the total authorization, debt authorization, appropriations and departmental totals as necessary to agree with the total monetary amounts of the projects.

Section 26. Effective date.

This act shall take effect immediately.

APPROVED—The 10th day of October, A.D. 1997.
