

No. 328.

AN ACT

To provide for the disposition of all drugs which are introduced in the evidence of any trial for the illegal possession or sale of same.

Section 1. Be it enacted, &c., That all drugs offered in evidence in the trial of any cause in this Commonwealth involving illegal sale or possession of such drugs, shall be confiscated by the district attorney of the county in which said trial takes place.

Drugs offered in evidence.

Confiscation by district attorney.

Section 2. The district attorney of the county of this Commonwealth, who shall thus confiscate such drugs, is hereby authorized to deliver such drugs to the State Department of Health or to any other legally constituted health board of any county of this Commonwealth, as in his discretion he may deem fit.

Delivery to health boards.

APPROVED—The 20th day of May, A. D. 1921.

WM. C. SPROUL.

No. 329.

AN ACT

To amend sections one thousand five hundred and one and one thousand five hundred and five of an act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred and nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that are or may be inconsistent therewith," as amended by an act, approved the twenty-third day of June, one thousand nine hundred and nineteen (Pamphlet Laws, five hundred and seventy-two), entitled "An act to amend an act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred and nine), entitled 'An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that are or may be inconsistent therewith.' "

Section 1. Be it enacted, &c., That section one thousand five hundred and one of an act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred and nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that

are or may be inconsistent therewith," which, as amended by the act, approved the twenty-third day of June, one thousand nine hundred and nineteen (Pamphlet Laws, five hundred and seventy-two), entitled "An act to amend an act, approved the eighteenth day of May, one thousand nine hundred and eleven (Pamphlet Laws, three hundred and nine), entitled 'An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that are or may be inconsistent therewith,' " reads as follows:—

Section 1501, as amended by section 1, act of June 23, 1919 (P. L. 572), cited for amendment.

"Section 1501. Every school district of the first, second, or third class in this Commonwealth shall annually provide medical inspection of all the pupils of its public schools by proper medical inspectors, to be appointed by the board of school directors of the district. Such medical inspection shall be made in the presence of the parent or guardian of the pupil, when so requested by parent or guardian. All such medical inspectors shall be physicians legally qualified to practice medicine in this Commonwealth, who have had at least two years experience in the practice of their profession, and shall be paid such amounts as the boards of school directors may determine: Provided, That nothing in this act shall preclude the appointment of health officers of municipalities as medical inspectors in the school districts of this Commonwealth," is hereby amended to read as follows:—

Districts of first, second, and third classes.

Section 1501. Every school district of the first, second, or third class in this Commonwealth shall annually provide medical inspection of all the pupils of its public schools by proper medical inspectors, to be appointed by the board of school directors of the district *in sufficient number to conduct the required inspection in conformity with the standard requirements prescribed by the Commissioner of Health for the medical inspection of schools in such district.* Such medical inspection shall be made in the presence of the parent or guardian of the pupil, when so requested by parent or guardian. All such medical inspectors shall be physicians legally qualified to practice medicine in this Commonwealth, who have had at least two years experience in the practice of their profession, and shall be paid such amounts as the boards of school directors may determine: Provided, That nothing in this act shall preclude the appointment of health officers of municipalities as medical inspectors in the school districts of this Commonwealth.

Presence of parent or guardian.

Qualifications of inspectors.

Compensation.

Section 2. That section one thousand five hundred and five of said act, which, as amended by said act of one thousand nine hundred and nineteen, reads as follows:—

“Section 1505. The medical inspectors shall, at least once each year, inspect and carefully test and examine all pupils in the public schools of their districts, giving special attention to defective sight, hearing, teeth, or other disabilities and defects specified by the Commissioner of Health in his directions for medical *examinations* of schools. Each medical inspector shall make to the teacher or, if the board of school directors so directs, to the principal or district superintendent of schools, a written report concerning all pupils found to need medical or surgical attention, and giving careful directions concerning the care of each pupil who needs special care while in school. The teacher or the principal or district superintendent shall keep *such* report until the *end of the school year*, shall carry out as carefully as possible *said* directions concerning the special care of pupils while in school, and shall promptly send a copy of the medical inspector’s report upon each child to the parents or guardian thereof,” is hereby amended to read as follows:—

Section 1505. The medical inspectors shall, at least once each year, inspect and carefully test and examine all pupils in the public schools of their districts, giving special attention to defective sight, hearing, teeth, or other disabilities and defects specified by the Commissioner of Health in his directions and requirements for medical *inspection* of schools, and shall make *such additional inspections and examinations as shall be provided for in said directions or required by the Commissioner of Health, the principal, or the district superintendent of schools*. Each medical inspector shall make to the teacher or, if the board of school directors so directs, to the principal or district superintendent of schools, a written report concerning all pupils found to need medical or surgical attention, and giving careful directions concerning the care of each pupil who needs special care while in school. The teacher, principal, or district superintendent shall promptly send a copy of the medical inspector’s report upon each child *requiring treatment* to the parents or guardian thereof, and shall keep the report concerning the pupils found to need medical or surgical attention until the last month of the school term, carrying out as carefully as possible the medical inspector’s directions concerning the special care of pupils while in school, noting any corrections of defects reported; and, in fourth class school districts, shall return the report to the Commissioner of Health; in first, second, and third class school dis-

No. 330.

AN ACT

To amend section two thousand twenty-one of an act, approved the eighteenth day of May, one thousand nine hundred eleven (Pamphlet Laws, three hundred nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that are or may be inconsistent therewith," and repealing section two thousand twenty-two, two thousand twenty-three, two thousand twenty-four, and two thousand twenty-five thereof.

State Normal
Schools.

Amendments to the
act of May 18,
1911 (P. L. 369).

Section 1. Be it enacted, &c., That section two thousand twenty-one of an act, approved the eighteenth day of May, one thousand nine hundred eleven (Pamphlet Laws, three hundred nine), entitled "An act to establish a public school system in the Commonwealth of Pennsylvania, together with the provisions by which it shall be administered, and prescribing penalties for the violation thereof; providing revenue to establish and maintain the same, and the method of collecting such revenue; and repealing all laws, general, special, or local, or any parts thereof, that are or may be inconsistent therewith," which reads as follows:—

Section 2021, cited
for amendment.

"Section 2021. The State Board of Normal School Examiners at a State Normal School shall consist of the Superintendent of Public Instruction, or his representative, as president, of two principals of State Normal Schools, of whom the principal of the school where the students are to be examined shall be one, together with a sufficient number of county, district, or assistant county or district superintendents, all to be appointed by the Superintendent of Public Instruction," is hereby amended to read as follows:—

Examinations.

Section 2021. The Superintendent of Public Instruction shall prescribe and conduct necessary examinations for the students in the State Normal Schools. Each graduate from a State Normal School shall receive a normal school certificate of such form as the State Board of Education shall prescribe. Such certificate shall be accepted as full evidence of the qualifications of the holder thereof to teach, in such grades, departments, or divisions of the public school system as

Certificates.
