AN ACT

Making an appropriation to the Auditor General to pay the balance of the claim of the architect employed by the Commission to erect an institution for inebriates under the provisions of the act, approved the twenty-fifth day of July, one thousand nine hundred and thirteen (Pamphlet Laws, one thousand three hundred six), entitled "An act to provide for the selection of a site and the erection of a State institution for the detention, care and treatment of inebriates, or persons habitually addicted to the use of alcoholic drink or intoxicating drugs, to be called the State Institution for Inebriates, and making an appropriation therefor," said claim having been adjusted and approved by the Auditor General, State Treasurer, and Attorney General; and to pay the personal expenses of the members of the Commission.

Whereas, By the provision of an act, approved the twenty-fifth day of July, one thousand nine hundred and thirteen, a Commission was created to acquire a site, select an architect, and to provide for the erection of an institution for inebriates; and

Whereas, Said Commission was duly appointed, acquired a site, and employed an architect, by whom services were performed in the year one thousand nine hundred and fifteen, but on account of the World War the said Commission deemed it inexpedient to proceed with the erection of said institution; and

Whereas, The site so acquired for an institution for inebriates was transferred by the provisions of the Administrative Code to the Board of Trustees of the New Cumberland Industrial Farm; and

Whereas, The Commission, appointed for the State institution for inebriates in the year one thousand nine hundred and seventeen, was not confirmed by the Senate, and no subsequent appointments were made, and therefore no legal commission existed thereafter to pay the debts incurred by said Commission and bills outstanding; and

Whereas, By the act, approved the fourteenth day of June, one thousand nine hundred and twenty-three (Appropriation Acts, page thirty-one), ten thousand dollars (\$10,000) was appropriated for the purpose of paying the outstanding bills of this Commission, including the claim by the architect, said act empowering the Auditor General, the State Treasurer, and the Attorney General to adjust and approve all such claims before any payment thereon was made; and

Whereas, Two claims were presented and payment thereof authorized out of said State appropriation as follows: For the Secretary of the Commission, five hundred dollars (\$500.00); for the architect to the Commission, seventeen thousand and seventy-eight dollars and eight-nine cents (\$17,078.89); and

Whereas, There was paid from said appropriation of ten thousand dollars (\$10,000) the claim of the Secretary of five hundred dollars (\$500.00), and nine thousand five hundred dollars (\$9,500) on the claim of the architect, leaving a balance due to the architect, as found by the Auditor General, State Treasurer, and Attorney General of seven thousand five hundred seventy-eight dollars and eighty-nine cents (\$7,578.89); therefore,

Section 1. Be it resolved, That the sum of seven thousand five hundred seventy eight dollars and eighty-nine cents (\$7,578.89) is hereby specifically appropriated to the Auditor General for the

payment of the balance of the claim of the architect employed by the Commission appointed to provide for the selection of a site and the erection of a State institution for inebriates under the provisions of the act, approved the twenty-fifth day of July, one thousand nine hundred and thirteen (Pamphlet Laws, one thousand three hundred six), entitled "An act to provide for the selection of a site and the erection of a State institution for the detention, care and treatment of inebriates, or persons habitually addicted to the use of alcoholic drink or intoxicating drugs, to be called the State Institution for Inebriates, and making an appropriation therefor," said claim having been adjusted by the Auditor General, State Treasurer, and Attorney General on August twenty-ninth, one thousand nine hundred and twenty-four, and the amount found to be due having been fixed at seventeen thousand and seventy-eight dollars and eighty-nine cents (\$17,078.89), of which amount nine thousand five hundred dollars (\$9,500) has been heretofore paid by the Commonwealth, in accordance with the provisions of the act, approved the fourteenth day of June, one thousand nine hundred and twenty-three (Appropriation Acts, page 31), entitled "A joint resolution making an appropriation to the Auditor General for the purpose of adjusting and paying certain outstanding bills contracted by the Commission appointed under the provisions of the act, approved the twenty-fifth day of July, one thousand nine hundred and thirteen (Pamphlet Laws, one thousand three hundred and six), entitled 'An act to provide for the selection of a site and the erection of a State institution for the detention, care, and treatment of inebriates, or persons habitually addicted to the use of alcoholic drink or intoxicating drugs, to be called the State Institution for Inebriates, and making an appropriation therefor.'"

Section 2. That the further sum of fifty-one dollars (\$51.00) is hereby specifically appropriated to the Auditor General to pay the personal expenses of the members of the Commission.

A SUPPLEMENT

To an act, approved the thirteenth day of July, one thousand nine hundred and twenty-three (Appropriation Acts, page two hundred and forty-five), entitled "An act making an appropriation to the State Hospital for Injured Persons of the Middle Coal Fields."

Whereas, The General Assembly of the Commonwealth of Pennsylvania, session of one thousand nine hundred and twenty-three, made an appropriation to the State Hospital for Injured Persons of the Middle Coal Field, at Hazleton, Pennsylvania, for one hundred and twenty-five thousand dollars for maintenance, salaries, wages, labor, and necessary repairs; and

Whereas, By and through the constant practice of economy and careful management of trustees of said hospital have saved more than twenty-five thousand dollars, which sum will remain unexpended at the close of the present biennium; and

Whereas, The erection of a residence for the superintendent of said hospital on the hospital grounds is considered necessary and advisable by the trustees, in order to secure much needed additional room in the institution for domestic service; and other repairs are necessary at this time to properly preserve the buildings belonging to said institutions; and

Whereas, The said State Hospital for Injured Persons of the Middle Coal Fields has since the making of said appropriation been renamed and is now known as the Hazleton State Hospital; therefore,

Section 1. Be it enacted, &c., That the sum of twenty-five thousand dollars (\$25,000), being part of the amount remaining unexpended out of the appropriation made by the act to which this is a supplement, or so much thereof as may be necessary, be and the same is hereby specifically reappropriated to the Hazleton State

Hospital, at Hazleton, Pennsylvania, for the purpose of erecting a residence for the superintendent of said hospital upon the hospital grounds, and for the making of such other repairs as in the judgment of the trustees may be necessary.

Whereas, The East Stroudsburg State Normal School has a note indebtedness amounting to forty-seven thousand three hundred three dollars and sixty-five cents (\$47,303.65), which was incurred

while the said normal school was in process of being taken over by the Commonwealth, but after the date of the deed conveying the property of said school to the Commonwealth; and

AN ACT

To close out the affairs of the Mercer State Hospital, at Mercer, Pennsylvania, by authorizing the sale and conveyance of the real estate and personal property of said hospital; and making an appropriation.

Whereas, the Mercer State Hospital, formerly the Cottage State Hospital, located at Mercer, Pennsylvania, was established and title conveyed to the Board of Trustees on the thirtieth day of December, one thousand eight hundred and ninety, primarily for the purpose of caring for injured miners in the soft coal fields in the vicinity of Mercer; and

Whereas, The soft coal mines of that vicinity have been abandoned, thus relieving the Mercer State Hospital of the care of that class of patients for whose convenience said hospital was established; and

Whereas, Excellent hospital facilities in nearby centers made easily accessible by improved highways detracted from the service offered by the Mercer State Hospital to such an extent that the Trustees of said hospital deemed it wise to discontinue its operation on the first day of June, one thousand nine hundred and twenty-three; and

Whereas, The Board of Trustees of said hospital have entered into an agreement for the sale of said property, including real estate, furniture, fixtures, and other personal property, to D. E. Vogan, M. D., for the sum of fifteen thousand dollars (\$15,000.00); therefore,

Section 1. Be it enacted, &c., That the Board of Trustees of the Mercer State Hospital is authorized to sell and convey the real estate, fixtures, furniture, and other personal property, together with the buildings thereon erected, formerly used and occupied by the said Mercer State Hospital, title to which is now in the said Board of Trustees, to D. E. Vogan, M. D., for the sum of fifteen thousand dollars (\$15,000.00).

Section 2. The Board of Trustees of said Mercer State Hospital is further authorized to execute a deed for said property which when approved by the Governor and the Attorney General of the Commonwealth and delivered to the said D. E. Vogan, M. D., upon

the payment by him of the purchase prices of fifteen thousand dollars (\$15,000.00), shall vest in the said D. E. Vogan, M. D., a good and sufficient title therefor; and the proceeds of said sale shall be paid into the State Treasury for the use of the Commonwealth, together with any unexpended moneys in the hands of the said Trustees, paid to them in connection with the affairs of said hospital.

Section 3. There is hereby specifically appropriated to the Board of Trustees of said hospital, in order that they may finally close out its affairs, the sum of five thousand dollars (\$5,000), or so much thereof as may be necessary, to pay the obligations incurred on account of said hospital during the biennium year beginning June first, one thousand nine hundred and twenty-one, and the expenses of the said Trustees incurred since said biennium in pursuance of the duties of their official positions.

Section 4. The unexpended portion of the appropriation of five hundred dollars (\$500.00) appropriated to the Cottage State Hospital for Injured Persons at Mercer, Pennsylvania, by Act No. 63-A of the Appropriation Acts, session one thousand nine hundred twenty-three, page eighty-two, is hereby lapsed into the General Fund of the State Treasury.

Whereas, The Governor on the thirteenth day of July, Anno Domini one thousand nine hundred and twenty-three, approved said appropriation in the sum of eight hundred and ninety thousand dollars (\$890,000), and withheld his approval from the remainder of said item; and

Whereas, The Governor intended to approve said item in the amount of one million one hundred eighty-five thousand dollars (\$1,185,000), but failed to do so as the result of an error in calculation.

Section 1. Be it enacted, &c., That the sum of two hundred and ninety-five thousand dollars (\$295,000), or so much thereof as may be necessary, be and the same is hereby specifically appropriated to the Trustees of the University of Pennsylvania for the remaining

months of the year ending May 31st, one thousand nine hundred and twenty-five, for the general maintenance of the university, and the purchase of such apparatus and equipment as the Trustees may deem necessary for the best interests of the University of Pennsylvania.

A SUPPLEMENT

To an act, entitled "An act to provide for the ordinary expenses of the Executive, Judicial, and Legislative Departments of the Commonwealth, interest on the public debt, and the support of the public schools, for the two fiscal years beginning June first, one thousand nine hundred and twenty-three; and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending May thirty-first, one thousand nine hundred and twenty-three," as approved the thirtieth day of June, Anno Domini one thousand nine hundred and twenty-three (Appropriation Acts, thirty-five), providing for deficiencies in certain appropriations made to the Executive and Judicial Departments by the act to which this is a supplement, and for other minor expenses incurred or to be incurred to May thirty-first, one thousand nine hundred and twenty-five, by certain of the Executive and Judicial Departments not provided for by said act.

APPROVED—The 6th day of April, A. D. 1925, except as to the following items:

DEPARTMENT OF ADJUTANT GENERAL.

The items which provide as follows:

“For the payment of annual allowance to National Guard organizations, passenger and freight transportation, rifle practice, allowances, repairs to auto trucks, expenses of inspectors, and other paid obligations for the fiscal year ending May thirty-first, one thousand nine hundred and twenty-five, the sum of seventy-five thousand two hundred ninety-six dollars (\$75,296).

“For officers’ annual allowance claims due and filed, eleven thousand one hundred eleven dollars and sixty-seven cents (\$11,111.67).

“For deficiency in the payment of clerical services in connection with the preparation and compiling of the records of the soldiers of Pennsylvania who participated in the World War, the sum of one thousand seven hundred and fifty dollars (\$1,750).”

Four semi-annual payments on annual allowances to National Guard organizations have already been paid in this biennium. These amounts are due on May 31st, billed in June, and have heretofore been paid in June. If the Legislature desires to have five semi-annual installments made in the next biennium the Budget allotment for the Militia should be increased by \$79,000.00. No deficiencies exist for the second and third items. I, therefore, withhold my approval from these items.

DEPARTMENT OF MINES.

The items which provide as follows:

"For the payment of expenses incurred by anthracite mine inspectors in the discharge of their duties during the two fiscal years ending May thirty-first, one thousand nine hundred and twenty-three, the sum of three thousand and four dollars and ninety-six cents (\$3,004.96).

"For the payment of expenses incurred by bituminous mine inspectors in the discharge of their duties during the two fiscal years ending May thirty-first, one thousand nine hundred and twenty-three, the sum of five thousand eight hundred and seventy-nine dollars and twenty-nine cents (\$5,879.29)."

There are no "expenses" due anthracite or bituminous mine inspectors, as given in these two items, for the biennial period 1921-1923. I withhold my approval from these items because of the error in the purpose, as they could not be paid anyhow.

MISCELLANEOUS.

The item for the payment of expenses and salaries in connection with the William Penn Charter is approved in order to prevent delay in the payment of those bills, although attention is called to the fact that this is an appropriation for an entirely new purpose and in no sense a deficiency.

DEPARTMENT OF INTERNAL AFFAIRS.

While the deficiency item of \$2,000 for the Department of Internal Affairs was not called to the attention of the Budget Officer, and the Budget submitted by that Department said there would be no deficiency, the item is approved because a sum appropriated to this department for the payment of a statutory salary in approximately this amount will lapse.
