APPROVED—The 14th day of May, A. D. 1925, except as to the following items:

*TREASURY DEPARTMENT.*

The item which provides as follows:

“For the payment of the salaries, compensation and expenses of deputies, experts, clerks, stenographers, typists, auditors, investigators, accountants, messengers, watchmen, and all other necessary employes, for the payment of all expenses necessarily incurred by them and the State Treasurer in the performance of duties assigned them, and the purchase, maintenance and repair of automobiles, two years, the sum of four hundred twenty-six thousand five hundred dollars (\$426,500).”

I approve this item in the sum of four hundred and one thousand five hundred dollars (\$401,500). After full conference with the State Treasurer, I have reduced the amount appropriated to him in excess of the Budget from \$100,000 to \$75,000, and have done so with his approval, given on the ground that, if he finds the \$75,000 insufficient to complete his work during the first two years of his term, he will still have five months in office in the current biennium during which he can go before the Legislature, if necessary, for a deficiency appropriation.

## APPROPRIATION ACTS,

## DEPARTMENT OF INTERNAL AFFAIRS.

The item which provides as follows:

"For the payment of the salaries of other officials, clerks and employes in the Executive Bureau, the Land Office, and the Bureau of Standards, fixed by acts of Assembly and not otherwise provided for, two years, the sum of one hundred thirty-six thousand six hundred dollars (\$136,600)."

I approve this item in the sum of \$90,000. I withhold my approval from the balance, as \$90,000, an increase of \$9,000 over the previous biennium, should enable these Bureaus to function with the same degree of economy that other agencies of the State are exercising.

The item which provides as follows:

"For the payment of the salaries of officials, clerks, and employes necessary for the proper conduct of the work of the Bureau of Statistics and Information, two years, the sum of one hundred forty-four thousand one hundred twenty dollars (\$144,120)."

I approve this item in the sum of \$50,000. I withhold my approval from the balance because of inadequate revenue and because of unnecessary duplication of work. Governor Tener, in his message of 1913, and again in his message of 1915, pointed to the duplication of effort and unnecessary expenditure of money, particularly in the statistical work of the Department of Internal Affairs. I am convinced that the \$50,000 approved, which is the sum spent in the last two years, is adequate for the work of the Bureau of Statistics without duplication of work necessarily done elsewhere.

Also the item which provides as follows:

"For the payment of the salaries of officials, clerks, and employes necessary for the proper conduct of the work of the Bureau of Municipalities, two years, the sum of fifty-seven thousand six hundred dollars (\$57,600)."

I approve this item in the sum of forty thousand dollars (\$40,000). I withhold my approval for the balance because of inadequate revenue.

Also the item which provides as follows:

"For the employment of draftsmen in copying the surveys or other ancient papers important to be preserved in the Land Office Bureau, two years, the sum of thirty-four thousand dollars (\$34,000)."

I approve this item in the sum of \$22,000. This work is the copying of original records and grants and is made necessary because of the age of old records. The \$22,000 should suffice to protect adequately these old records, providing similar appropriations are continued throughout the years to come so long as may be necessary.

Also the item which provides as follows:

"For the payment of the incidental and traveling expenses of the secretary and all other officers and employes of the department for the payment of all postage, contingent, and incidental expenses of the Department of Internal Affairs, with its several bureaus, two years, the sum of forty-eight thousand two hundred sixty dollars (\$48,260)."

I approve this item in the sum of \$20,000. I withhold my approval from the balance because of inadequate revenue.

Also the item which provides as follows:

"For the payment of the services and expenses to be incurred in the examination and repairs of the boundary line monuments between the State of Pennsylvania and adjoining States, as required by the second section of the act of Assembly, approved the fourth day of May, one thousand eight hundred and eighty-nine, for the two fiscal years beginning June first, one thousand nine hundred and twenty-five, the sum of twenty thousand dollars, or so much thereof as may be necessary; to be paid upon the warrant of the Auditor General upon specifically itemized vouchers, properly certified by the Secretary of Internal Affairs."

I approve this item in the sum of \$10,000. This sum will, I am advised, match a similar sum appropriated by the State of New York for this purpose.

*DEPARTMENT OF WELFARE.*

The item which provides as follows:

"For the payment of the salaries, compensation, and traveling expenses of surgeons, supervisors, clerks, and stenographers employed in the orthopedic unit, organized for the development of orthopedic clinics and supervisory service in behalf of crippled children and to safeguard properly the standards of service to them, two years, the sum of thirty-eight thousand eight hundred dollars (\$38,800)."

I withhold my approval from this item in its entirety because I have found it necessary to disapprove the bill for the establishment of the orthopedic unit for the reasons given in the veto message.

*INSURANCE DEPARTMENT.*

The items which provide as follows:

"For the payment of the salary of the Insurance Commissioner, two years, the sum of fifteen thousand dollars (\$15,000)."

"For the payment of the salaries, wages, or other compensation of such deputies, directors, superintendents, bureau or division chiefs, assistant directors, assistant superintendents, assistant chiefs, experts, scientists, engineers, surveyors, draftsmen, accountants, secretaries, auditors, inspectors, examiners, statisticians, marshals, clerks, stenographers, bookkeepers, messengers, and other assistants and employes as may be required for the proper conduct of the work of the Department and for the payment of contingent traveling and incidental expenses, including telephone toll charges, telegrams, postage, and expressage of the Insurance Commissioner and the employes of the Department, two years, the sum of one hundred seventy-nine thousand dollars (\$179,000)."

I disapprove these items in full because act number 277 of the 1925 session of the General Assembly, now in force, provides for the maintenance of the work of the Insurance Department out of a special fund created by that act and an appropriation from the General Fund is no longer necessary.

*JUDICIARY DEPARTMENT.*

The item which provides as follows:

"For the payment of the salaries of the Supreme Court judges, two years, the sum of two hundred sixty-seven thousand dollars (\$267,000)."

I approve this item in the amount of \$246,000. I withhold my approval from the balance because it will not be needed.

Also the item which provides as follows:

"For the payment of the salaries of the judges of the Superior Court, two years, the sum of two hundred and forty-six thousand dollars (\$246,000)."

I approve this item in the amount of \$225,000. I withhold my approval from the balance because it will not be needed.

Also the item which provides as follows:

"For the payment of the salary of the judges of the courts of common pleas, learned in the law, in the several judicial districts of the Commonwealth, two years, the sum of two million seven hundred and nine thousand dollars (\$2,709,000)."

I approve this item in the amount of \$2,183,000. I withhold my approval from the balance because it will not be needed.

Also the item which provides as follows:

"For the payment of the salaries of the orphans' court judges in the several judicial districts in which separate orphans' courts have been established by law, two years, the sum of five hundred forty-two thousand dollars (\$542,000)."

I approve this item in the amount of \$432,000. I withhold my approval from the balance because it will not be needed.

Also the item which provides as follows:

"For the payment of the salaries of the judges of the Municipal Court of Philadelphia, in accordance with the provisions of the act of Assembly, approved July twenty-first, Anno Domini one thousand nine hundred and nineteen, the sum of two hundred thousand dollars (\$200,000)."

I approve this item in the amount of \$161,000. I withhold my approval from the balance because it will not be needed.

Also the item which provides as follows:

"For the payment of the salaries of the judges of the county court for the county of Allegheny, two years, the sum of one hundred and twenty thousand dollars (\$120,000)."

I approve this item in the amount of \$97,000. I withhold my approval from the balance because it will not be needed.

The balances vetoed in the above items for judicial salaries were included in this bill in order to increase the salaries of existing judges, as provided for in House Bill No. 279. For reasons there given, I have vetoed that bill.

The item in Section five which provides as follows:

"For the use of the commission to be appointed to select and acquire a site for the erection thereon of the Eastern State Penitentiary, conditioned upon the passage and approval by the Governor of Senate Bill number six hundred three, session of one thousand nine hundred and twenty-five, the sum of five hundred thousand dollars (\$500,000), or so much thereof as may be necessary. Any balance of said appropriation remaining after the acquisition of a site for the Eastern Penitentiary by said commission and the payment therefor, and all expenses of the commission, may be used by the commission for the preparation of plans and specifications for a new Eastern Penitentiary."

I approve this item in the sum of \$300,000. While I am convinced that a legislative commission is not the proper authority to select a site for a penitentiary, and while the attitude of the Philadelphia organization threatened that politics would be played with this important measure, I am approving the item in this sum for the following two reasons:

First. Because I believe that the publicity given to the threatened abuse of the commission's power for political purposes will be sufficient to prevent such abuse; and

Second. Because of the pressing public necessity for proceeding as rapidly as possible to provide for a new and modern Eastern Penitentiary to replace the antiquated and unsuitable structure at Cherry Hill.

If the item of \$1,000,000 carried in the Budget for a new Eastern Penitentiary had been approved by the Legislature it would have been possible not only to acquire the land but to begin the construction of a new institution during the present biennium. The wording of the present appropriation excludes the possibility of beginning construction under it.

I have approved in full the items for the improvement of Capitol Park grounds, and regret that I could not include a larger sum in the Budget.

GIFFORD PINCHOT.
