AN ACT

Making an appropriation to carry into effect the provisions of an act, approved the tenth day of July, one thousand nine hundred and nineteen (Pamphlet Laws, eight hundred ninety-three), entitled "An act providing for assistance to certain mothers; providing for the appointment of boards of trustees for the several counties of the Commonwealth, and for the appointment of a State Supervisor and assistants, and fixing the salaries of such State Supervisor and assistants; defining the powers and duties of boards of trustees, including the power of appointing assistants and investigators, and the distribution of funds at their disposal; providing for the apportionment of the State appropriation among the several counties, and requiring counties coming under the provisions of this act to appropriate certain moneys; and providing penalties," as amended.

Be it enacted, &c., That the sum of four million one hundred fifteen thousand nine hundred thirty-eight dollars (\$4,115,938) is hereby specifically appropriated, for the two fiscal years beginning the first day of June, one thousand nine hundred and thirty-three, for the purpose of carrying into effect the provisions of the act, approved the tenth day of July, one thousand nine hundred and nineteen (Pamphlet Laws, eight hundred ninety-three), entitled "An act providing for assistance to certain mothers; providing for the appointment of boards of trustees for the several counties of the Commonwealth, and for the appointment of a State Supervisor and assistants, and fixing the salaries of such State Supervisor and assistants; defining the powers and duties of boards of trustees, including the power of appointing assistants and investigators, and the distribution of funds at their disposal; providing for the apportionment of the State appropriation among the several counties and requiring counties coming under the provisions of this act to appropriate certain moneys; and providing penalties," as amended.

Mothers'
Assistance Fund.
Appropriation.

Section 2. Upon the approval of this act, the State Treasurer, after deducting from the entire amount appropriated for salaries and office expenses and for the unorganized counties, shall divide the balance into two equal parts.

Division of
appropriation.

The one part, hereinafter referred to as the second part, shall be held intact for distribution, on and after the first day of June, one thousand nine hundred and thirty-four, in the manner hereinafter provided.

The other part shall, upon the approval of this act, be distributed among the several counties organized under the Mothers' Assistance System, according to a budget for each county prepared by the Secretary of Welfare, after taking into consideration the following basis of distribution:

Basis of
distribution.

(1) The number of families receiving assistance on the thirty-first day of May, one thousand nine hundred and thirty-two; (2) in addition, provision for other eligible families which could not be aided from the fund available for the past biennium, the number of additional families needing aid in each county to be determined by the following formula:

In counties where the number of eligible families on the waiting list the thirty-first day of May, one thousand nine hundred and thirty-two, was greater than the number representing the average yearly increase of families aided during the biennium ending the thirty-first day of May, one thousand nine hundred and thirty-two, allowance may be determined by the former number. In counties where the average yearly increase of families aided is the greater number, allowance may be determined by this number rather than by the eligible waiting list. The apportionment to each county shall be based upon the average grant per family prevailing in such county during the year ending the thirty-first day of May, one thousand nine hundred and thirty-two.

State Treasurer
to set aside
county's share.

Section 3. On the first day of June, one thousand nine hundred and thirty-four, the State Treasurer shall set aside, out of the second part, to each county organized at the beginning of the biennium under the Mothers' Assistance System, a sum equal to that apportioned to it under the preceding section by the Secretary of Welfare, provided the amount so set aside to any county, together with the unexpended balance of the amount apportioned to the county during the first year, shall constitute the State's assistance during the second year to such county.

Acceptance of
act of July 10,
1919, required.

Section 4. No county shall receive its allotment of the State appropriation, available for any year under the method of distribution provided by this act, unless such county has accepted the provisions of the act approved the tenth day of July, one thousand nine hundred and nineteen (Pamphlet Laws, eight hundred ninety-three), as amended, and has placed at the disposal of the board of trustees a sum equal to the amount available from the State appropriation for such year. No county shall receive any sum from the State, under sections two and three of this act, unless such county shall appropriate a like sum for the same purpose.

Section 5. Out of the amount hereinbefore appropriated, the sum of ten thousand dollars (\$10,000), or so much thereof as may be necessary, shall be set apart to be apportioned to the counties heretofore unorganized under the Mothers' Assistance System. At the beginning of the first year of the biennium, the State Treasurer shall set aside for each of the counties unorganized prior to the first day of June, one thousand nine hundred and thirty-three, equal parts of ten thousand dollars (\$10,000). At the beginning of the second fiscal year of the biennium, the State Treasurer shall set aside for the counties which have organized during the first fiscal year the amounts designated by the Secretary of Welfare, who shall, on the first day of June, one thousand nine hundred and thirty-four, reapportion to the counties organizing during the first fiscal year the balance remaining on that date of the sum set aside for the unorganized counties, the reapportionment to be determined by the need as presented by the counties.
