AN ACT

Prohibiting certain persons from selling, taking orders for, delivering, or being interested in the manufacture or sale of machinery, equipment, materials, feed supplies or other things used by milk producers; and prescribing penalties.

Section 1. Be it enacted, &c., That after the thirtieth day after the effective date of this act, no state, municipal or other inspector of dairy farms shall sell, take orders for the sale, or deliver any machinery, equipment, materials, feed supplies, or any other thing used in or in connection with the production or handling of milk by producers, nor shall any such person be financially interested in, be employed by, receive any compensation from, or act as agent or solicitor, or distribute literature or circulars for, nor recommend the products

Milk producers.

Inspectors not permitted to sell equipment used by milk producers.

of any person, copartnership, association or corporation, manufacturing or selling any machinery, equipment, materials, feed supplies, or any other thing used in or in connection with the production or handling of milk by producers.

This act does not prohibit the sale of cans, pails, strainers, strainer pads, cleansers or chlorinating, and sterilizing solutions and powders to milk producers by any distributor, or the taking of orders for such items by representatives, agents and inspectors of any distributor for and on behalf of such distributor.

Penalty.

Section 2. Any person violating any of the provisions of this act shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine of not more than fifty dollars for the first offense, not more than one hundred dollars for the second offense, and not more than five hundred dollars for the third or any subsequent offense, and in addition thereto to undergo imprisonment for not more than thirty days for any third or subsequent offense.

Inspectors having equipment or materials on hand shall dispose of same.

Section 3. If, on the effective date of this act, any state, municipal or other inspector of dairy farms has in his possession an inventory of such machinery, equipment, materials, feed supplies, or other things used in or in connection with the production or handling of milk by producers, or if such person owns any stock, bonds or other securities of or interest in any copartnership, association or corporation engaged in the manufacture or marketing of such machinery, equipment, materials, feed supplies, or other things, which goods, stocks, bonds, securities or interests cannot be disposed of within thirty days, except at a loss, he may, within thirty days after such effective date, apply to the Department of Health for leave to continue to sell such goods or to sell or dispose of such securities or interests during such additional time as the department shall allow. Such application shall set forth an itemized statement of such goods, securities and interests, and the reasons for not being able to dispose of them within such thirty days except at a loss. If the department is satisfied with* such statement, it shall grant such reasonable time within which such goods, securities and interests may be disposed of.
