

Act of May 10,  
1921 (P. L. 449),  
repealed.

Section 5. The act approved the tenth day of May, one thousand nine hundred and twenty-one (Pamphlet Laws, four hundred forty-nine), entitled "An act to fix the number of Senators in the General Assembly of the State; to apportion the State into senatorial districts, as provided by the Constitution; and to regulate the election of, and the terms of office of, the present and future elected Senators," and its amendments, are hereby repealed.

Inconsistent acts  
repealed.

All other acts and parts of acts inconsistent with the provisions of this act are hereby repealed.

APPROVED—The 30th day of June, A. D. 1937.

GEORGE H. EARLE

No. 458

AN ACT

To amend sections 4 and 6 of the act, approved the seventh day of August, one thousand nine hundred thirty-six (Pamphlet Laws, one hundred six), entitled "An act relating to flood control; prescribing the powers and duties of the Water and Power Resources Board of the Department of Forests and Waters in relation to the creation of flood control districts, adoption of plans for flood control works and improvements, carrying into effect of such plans, assistance, aid and cooperation with public and private agencies and the Federal Government in Federal flood control works and improvements, and entering into compacts and agreements with other states for flood control works and improvements; conferring the power of eminent domain; imposing certain charges upon the Commonwealth; providing for appeals; and conferring certain powers on municipalities, counties, and townships, the Department of Highways and the Department of Property and Supplies," as re-enacted and amended, by providing for the recording of completed suitable plans, and the effect thereof as constructive notice to owners of property taken, damaged, or destroyed; and correcting the reading of section six.

Sections 4 and 6,  
act of August 7,  
1936 (P. L.  
106), as re-  
enacted and  
amended by act  
of March 10,  
1937, act No.  
18, further  
amended.

Section 1. Be it enacted, &c., That sections 4 and 6 of the act, approved the seventh day of August, one thousand nine hundred thirty-six (Pamphlet Laws, one hundred six), entitled "An act relating to flood control; prescribing the powers and duties of the Water and Power Resources Board of the Department of Forests and Waters in relation to the creation of flood control districts, adoption of plans for flood control works and improvements, carrying into effect of such plans, assistance, aid and cooperation with public and private agencies and the Federal Government in Federal flood control works and improvements, and entering into compacts and agreements with other states for flood control works and improvements; conferring the power of emi-

ment domain; imposing certain charges upon the Commonwealth; providing for appeals; and conferring certain powers on municipalities, counties, and townships, the Department of Highways and the Department of Property and Supplies," as re-enacted and amended by the act, approved the tenth day of March, one thousand nine hundred and thirty-seven (Act Number 18), are hereby further amended to read as follows:

Section 4. Official Plans; Notice. — When the board has completed suitable plans, it shall adopt them as official plans and give public notice of such adoption in at least two newspapers in each county, wholly or partially within such flood control district, if so many are published therein, once a week for two consecutive weeks, which notice shall state that the official plans are on file in the office of the board. The board shall also give notice to all persons, whose property may be taken, damaged or destroyed in the completion of such plans, by registered mail to the last known post office address of the owner or reputed owner of the property. *A certified copy of the completed suitable plans shall, upon their adoption, be recorded in the office of the recorder of deeds of each county, wholly or partially within a flood control district. Such recording shall be constructive notice to all owners whose property may be taken, damaged or destroyed in the completion of such plans.*

When plans completed, and adopted, board to give notice.

Section 6. When Official Plans Effective. — Official plans shall become effective for a flood control district, and the district shall be deemed established when the board shall have completed suitable plans and adopted them as official plans and given the notice of such adoption provided for in section [three] *four* of this act.

Time when plan becomes effective.

The board may proceed with the exercise of the powers granted by this act whenever an official plan has become effective, but no contract shall be let, agreement executed, or condemnation proceeding be begun requiring expenditures exceeding the amount of moneys in the fund.

Section 2. This act shall become effective immediately upon its final enactment.

APPROVED—The 1st day of July, A. D. 1937.
