

LAWS OF PENNSYLVANIA,

No. 124

AN ACT

Providing for the recording of wills probated outside of this Commonwealth in the office of the recorder of deeds, and the effect thereof.

Recorder
of deeds.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Wills probated
outside this
Commonwealth,
when exempli-
fied, shall be
indexed as
provided.

Section 1. The recorder of deeds shall record exemplified copies of wills probated outside of this Commonwealth, and shall index them in the grantor index under the name of the testator and in the grantee index under the name of each person named in the will as devisee of real property located in this Commonwealth. Each will so recorded and indexed shall be notice to all persons of the existence thereof.

Act effective
immediately.

Section 2. This act shall take effect immediately.

APPROVED—The 5th day of June, A. D. 1957.

GEORGE M. LEADER

No. 125

AN ACT

Relating to the distribution, sale or transportation of deficient or misbranded insecticides, fungicides, rodenticides and other pesticides; regulating traffic therein; providing for registration and examination of such materials; and imposing penalties.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Pennsylvania
Pesticide Act
of 1957.

Section 1. Short Title.—This act shall be known and may be cited as the “Pennsylvania Pesticide Act of 1957.”

Section 2. Definitions.—As used in this act—

(1) “Pesticide” means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any insects, rodents, fungi, weeds or other forms of plant or animal life or viruses, except viruses on or in living man or other animals which the secretary shall declare to be a pest.

(2) “Insecticide” means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any insects which may be present in any environment whatsoever.

(3) “Fungicide” means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any fungi.
