

AN ACT

Amending the act of March 31, 1949 (P. L. 372), entitled "An act to promote the welfare of the people of the Commonwealth; creating The General State Authority as a body corporate and politic with power to construct, improve, equip, furnish, and operate projects, and to lease the same, and to fix fees, rentals, and charges for the use thereof; authorizing and regulating the issuance of bonds for said Authority, and providing for the payment of such bonds, and the rights of the holders thereof; and to enter into agreements with the Government of the United States or any Federal agency; and authorizing the Department of Property and Supplies to grant, assign, convey, or lease to the Authority lands of the Commonwealth and interests therein and to acquire lands therefor; granting the right of eminent domain; empowering The General State Authority to sell and convey projects and property to the Commonwealth; and providing that no debt of the Commonwealth shall be incurred in the exercise of any of the powers granted by this act," prohibiting the undertaking of certain projects, increasing the powers and the borrowing capacity of the Authority, and allocating the proceeds of such increased borrowing capacity.

The General
State Authority
Act.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

First paragraph
and clause (1),
section 4, act of
March 31, 1949,
P. L. 372,
amended Decem-
ber 22, 1959, P.
L. 1997, further
amended.

Section 1. The first paragraph and clause (i) of section 4, act of March 31, 1949 (P. L. 372), known as "The General State Authority Act of one thousand nine hundred forty-nine," amended December 22, 1959 (P. L. 1997), are amended to read:

Section 4. Purposes and Powers; General.—The Authority is created for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring and operating sewers, sewer systems, and sewage treatment works for State institutions of every kind and character (heretofore or hereafter constructed), public buildings for the use of the Commonwealth, an official residence in the City of Harrisburg which shall thereafter be used as the official residence of the Governor of the Commonwealth, State arsenals, armories, and military reserves, State airports and landing fields, State institutions of every kind and character (heretofore or hereafter constructed), additions and improvements to land grant colleges, State [teachers'] colleges, universities and medical colleges receiving State aid, school buildings and the furnishings and equipment thereof for the use of the public schools, State highways, and bridges, toll bridges, tunnels, and traffic circles on State highways, swimming pools, [and lakes on State land,] *reservoirs and lakes, marinas, marine terminals, port improvements*, low head dams, improvements to river embankments, desilting dams, impounding basins, flood control projects, and

the purchase of lands for rehabilitation purposes in connection with State institutions and for use of State [teachers'] colleges (any and all the foregoing being herein called "projects"): Provided, however, That the purpose and intent of this act being to benefit the people of the Commonwealth by, among other things, increasing their commerce and prosperity, and not to unnecessarily burden or interfere with existing business by the establishment of competitive enterprises, none of the powers granted hereby (other than for the construction, improvement and maintenance of bridges) shall be exercised in the construction, improvement, maintenance, extension or operation of any project or projects which, in whole or in part, shall duplicate or compete with existing enterprises serving substantially the same purposes. [and the] *Whenever any bill authorizing the Authority to undertake specific projects becomes law, the Authority shall not undertake any project which at any time was included in such bill but which was not included in the bill as finally passed. The Authority* is hereby granted and shall have and may exercise all powers necessary or convenient for the carrying out of the aforesaid purposes, including, but without limiting the generality of the foregoing, the following rights and powers:

* * * * *

(i) To borrow money, make and issue negotiable notes, bonds, and other evidences of indebtedness or obligations (herein called "bonds") of the Authority, not exceeding [six hundred twenty-one million four hundred thirty-one thousand four hundred dollars (\$621,431,400)] *eight hundred seventy-nine million one hundred seventy-three thousand dollars (\$879,173,000)* in the aggregate, and in addition thereto, such bonds the Authority may, from time to time, determine to issue for the purpose of refunding bonds previously issued by the Authority, and to secure the payment of all bonds, or any part thereof, by pledge or deed of trust of all or any of its revenues, rentals, and receipts, and to make such agreements with the purchasers or holders of such bonds or with others in connection with any such bonds, whether issued or to be issued, as the Authority shall deem advisable, and in general to provide for the security for said bonds and the rights of the holders thereof.

The Authority shall, on or before the first day of March in each odd numbered years, submit to the General Assembly its construction report and estimate of cost thereof for the coming biennium.

No. 686

AN ACT

Amending the act of April 9, 1929 (P. L. 177), entitled "An act providing for and reorganizing the conduct of the executive and administrative work of the Commonwealth by the Executive Department thereof and the administrative departments, boards, commissions, and officers thereof, including the boards of trustees of State Normal Schools, or Teachers Colleges; abolishing, creating, reorganizing or authorizing the reorganization of certain administrative departments, boards and commissions; defining the powers and duties of the Governor and other executive and administrative officers, and of the several administrative departments, boards, commissions, and officers; fixing the salaries of the Governor, Lieutenant Governor, and certain other executive and administrative officers; providing for the appointment of certain administrative officers, and of all deputies and other assistants and employes in certain departments, boards, and commissions; and prescribing the manner in which the number and compensation of the deputies and all other assistants and employes of certain departments, boards and commissions shall be determined," further providing for the disposal of surplus materials salvaged from State highways and bridges.

The Administrative Code of 1929.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Clause (f), section 2003, act of April 9, 1929, P. L. 177, amended May 27, 1943, P. L. 738, further amended.

Section 1. Clause (f) of section 2003, act of April 9, 1929 (P. L. 177), known as "The Administrative Code of 1929," amended May 27, 1943 (P. L. 738), is amended to read:
