Any unexpended balance of the appropriation as determined by the Auditor General shall be allocated by the Department of the Auditor General among the hospitals, the amounts for which herein specified have not been sufficient to pay for the services rendered by them to persons entitled to free service in the proportion which the total amount to which each hospital is entitled under the formulae set forth in section 1 hereof and for which it has not been paid, bears to the total of such amounts of all the hospitals that have not been paid in full. The amount allocated to any hospital shall not be greater than the amount to which the hospital is entitled under the formulae set forth in section 1. All amounts so allocated shall be paid by the department to the hospitals entitled thereto in the manner prescribed by law.
