

delegates and conduct the election of the proper number of nominees. *In the event a district is created or is operating in an urbanizing area as defined by the State Soil Conservation Commission, the commission may provide for one non-farmer director to serve on the board of directors in place of one farmer director. Such non-farmer director shall be appointed by the county commissioners as in the case of the farmer directors.*

Section 7. Appointment; Qualifications; Compensation; and Tenure of Directors.—The director appointed from the board of county commissioners shall be appointed annually by the board of county commissioners. The first four [farmer] directors appointed, *other than the director appointed from the board of county commissioners*, shall be designated to serve for terms of one, two, three and four years, respectively. Thereafter each [farmer] director shall serve for four years. A director shall hold office until his successor has been appointed and has qualified. Vacancies shall be filled for the unexpired terms. The selection of successors to fill unexpired terms or for full terms, shall be in the same manner in which the respective retiring directors shall have been selected.

The director appointed from the board of county commissioners shall receive no additional compensation but shall receive traveling expenses as allowed as a member of the board of county commissioners. The [farmer] *other* members of the board of directors shall serve without pay, but may be reimbursed for traveling expenses incurred while engaged in the performance of their official duties, provided funds are made available by the board of county commissioners or by the State Soil Conservation Commission for such purpose, and under such terms and conditions as the county board or the commission, whichever has provided the funds, shall determine.
