

vehicles in which case the speed for R and S class commercial motor vehicles, motor buses and omnibuses shall be the same. For the purpose of indicating the established speed limit, and the erection of signs in connection therewith, as provided in this act, R and S commercial vehicles shall be deemed passenger motor vehicles.

All other commercial motor vehicles and truck tractors, all combinations of commercial motor vehicles or truck tractors and trailers or semi-trailers, fifty-five (55) miles per hour on highways having four (4) or more lanes, or forty-five (45) miles per hour on highways having less than four (4) lanes.

The above speed limits shall be subject to reduction by the Secretary of Highways on the basis of highway engineering studies. Whenever the Secretary of Highways reduces the speed limit under subsection (c) of this section on a particular section of a highway, the speed limit shall be indicated by the erection of official signs placed at the beginning and at the end of such highway and at reasonable intervals, at the discretion of the Secretary of Highways.
