Amending the act of March 10, 1949 (P. L. 30), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," fixing the residence of children residing on any federal installation as the school district in which the federal installation is situated.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1302. Residence and Right to Free School Privileges.—A child shall be considered a resident of the school district in which his parents or the guardian of his person resides. Federal installations

are considered a part of the school district or districts in which they are situate and the children residing on such installations shall be counted as resident pupils of the school district. When a resident of any school district keeps in his home a child of school age, not his own, supporting the child gratis as if it were his own, such child shall be entitled to all free school privileges accorded to resident school children of the district, including the right to attend the public high school maintained in such district or in other districts in the same manner as though such child were in fact a resident school child of the district, and shall be subject to all the requirements placed upon resident school children of the district. Before accepting such child as a pupil, the board of school directors of the district may require such resident to file with the secretary of the board a sworn statement that he is a resident of the district, that he is supporting the child gratis, that he will assume all personal obligations for the child relative to school requirements, and that he intends to so keep and support the child continuously and not merely through the school term.

Section 2. This act shall take effect immediately.
