## AN ACT

## HB 59

Amending the act of April 12, 1951 (P.L.90), entitled "An act relating to alcoholic liquors, alcohol and malt and brewed beverages; amending, revising, consolidating and changing the laws relating thereto; regulating and restricting the manufacture, purchase, sale, possession, consumption, importation, transportation, furnishing, holding in bond, holding in storage, traffic in and use of alcoholic liquors, alcohol and malt and brewed beverages and the persons engaged or employed therein; defining the powers and duties of the Pennsylvania Liquor Control Board; providing for the establishment and operation of State liquor stores, for the payment of certain license fees to the respective municipalities and townships, for the abatement of certain nuisances and, in certain cases, for search and seizure without warrant; prescribing penalties and forfeitures; providing for local option, and repealing existing laws," further providing for the transfer of retail dispenser licenses.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Subsection (a) of section 468, act of April 12, 1951 (P.L.90), known as the "Liquor Code," amended October 20, 1967 (P.L.476), is amended to read:

Section 468. Licenses Not Assignable; Transfers.—(a) Licenses issued under this article may not be assigned. The board, upon payment of the transfer filing fee and the execution of a new bond, is hereby authorized to transfer any license issued by it under the provisions of this article from one person to another or from one place to another, or both, within the same municipality, as the board may determine. The board, in its discretion, may transfer an existing restaurant *retail dispenser* or club license from one municipality to another in the same county regardless of the quota limitations provided for in this act, if sales of liquor or malt and brewed beverages are legal in such other municipality and if the restaurant *retail dispenser* or club lost the use of the building in which it was located due to governmental exercise of the right of eminent domain and no other suitable building can be found in the first municipality. In the case of distributor and importing distributor licenses, the board may transfer any such license from its place in a municipality to a place in any other municipality within the same county, or from one place to another place within the same municipality, or exchange a distributor license for an importing distributor license or an importing distributor license for a distributor license, if the building for which the license is to be issued has, in the case of an importing distributor license, an area under one roof of two thousand five hundred square feet and, in the case of a distributor license, an area under one roof of one thousand square feet: And provided, That, in the case of all transfers of distributor or importing distributor licenses, whether from a place within the same municipality to another

place within the same municipality or from a place in a municipality to a place in any other municipality within the same county, and, in the case of an exchange of a distributor license for an importing distributor license or an importing distributor license for a distributor license, the premises to be affected by the transfer or exchange shall contain an office separate and apart from the remainder of the premises to be licensed for the purpose of keeping records, required by the board, adequate toilet facilities for employes of the licensee and an entrance on a public thoroughfare: Provided, however, That in the event that the majority of the voting electors of a municipality, at an election held under the provisions of any law so empowering them to do, shall vote against the issuance of distributor or importing distributor licenses in such municipality, the board is hereby authorized to transfer any such distributor or importing distributor license from its place in such municipality to a place in any other municipality within the same county, upon application prior to the expiration of any such license and upon payment of the transfer filing fee and the execution of a new bond; but no transfer shall be made to a person who would not have been eligible to receive the license originally nor for the transaction of business at a place for which the license could not lawfully have been issued originally, nor, except as herein provided, to a place as to which a license has been revoked. No license shall be transferred to any place or property upon which is located as a business the sale of liquid fuels and oil. Except in cases of emergency such as death, serious illness, or circumstances beyond the control of the licensee, as the board may determine such circumstances to justify its action, transfers of licenses may be made only at times fixed by the board. In the case of the death of a licensee, the board may transfer the license to the surviving spouse or personal representative or to a person designated by him. From any refusal to grant a transfer or upon the grant of any transfer, the party aggrieved shall have the right of appeal to the proper court and therefrom to the Superior Court, in the manner hereinbefore provided.
