Section 10. Competition in Award of Contracts.—A. All construction, reconstruction, repairs or work of any nature made by any Authority, where the entire cost, value or amount of such construction, reconstruction, repairs or work, including labor and materials, shall exceed **[two thousand five hundred dollars (\$2,500)] four thousand dollars (\$4,000)**, except construction, reconstruction, repairs or work done by employes of said Authority, or by labor supplied under agreement with any Federal or State agency, with supplies and materials purchased as hereinafter provided, shall be done only under contract or contracts to be entered into by the Authority with the lowest responsible bidder upon proper terms, after due public notice has been given asking for competi-

Nothing in this section shall be construed to limit the power of the Authority to construct, repair or improve any project or portion thereof, or any addition, betterment or extension thereto, directly by the officers, agents and employes of the Authority, or otherwise than by contract.
