PART X EFFECTIVE DATE

Section 1001. Effective date.—This act shall take effect July 1, 1983 or, if enacted subsequent to that date, then immediately.

APPROVED—The 11th day of July, A. D. 1983 except as to the following:

July 11, 1983

To the Honorable, the Senate
of the Commonwealth of Pennsylvania:

I have the honor to inform you that I have this day approved and signed Senate Bill 527, Printer's Number 1070 entitled "An act to provide from the General Fund for the expenses of the Executive, Legislative and Judicial Departments of the Commonwealth, the public debt and for the public schools for the fiscal year July 1, 1983 to June 30, 1984, and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 1983; and to appropriate the Federal Augmentation to the Executive and Judicial Departments of the Commonwealth; establishing restricted receipts accounts for the fiscal year July 1, 1983 to June 30, 1984 and for the payment of bills incurred and remaining unpaid at the close of the fiscal year ending June 30, 1983," except as to the following:

Under the State Constitution, I cannot approve Senate Bill 527, Printer's Number 1070, in its present form because it, combined with the non-preferred appropriations, would result in spending provisions that would exceed available tax revenues by more than \$1 billion. Since the Constitution requires that I enact a balanced budget, I am required by law to reduce the expenditures contained in this bill.

Moreover, this is not a responsible budget. Funding it would require nearly \$1 billion in new taxes to be imposed on Pennsylvania's citizens. In addition, the bill contains questionable spending programs that would lead this State back into fiscal instability while undermining our efforts to strengthen private sector economic development.

Therefore, in meeting my constitutional responsibility, I am eliminating these ill-affordable spending programs and reducing many other appropriations to the levels recommended in my 1983-84 budget. In addition, I have substantially reduced executive branch expenditures in all program areas. Moreover and regrettably, since the General Assembly has failed to enact even the moderate revenue increases called for in my budget proposal, I am forced to significantly reduce education grants, the single largest line-item in the State budget. Further, I am substantially reducing certain other appropriations, including those of the General Assembly, in order to encourage a renewed effort to reach a final budget resolution that will meet the vital needs of this Commonwealth in a responsible fashion.
