

No. 1986-100

AN ACT

HB 385

Amending the act of December 8, 1982 (P.L. 848, No. 235), entitled "An act providing for the adoption of capital projects related to the repair, rehabilitation or replacement of highway bridges to be financed from current revenue or by the incurring of debt and capital projects related to highway and safety improvement projects to be financed from current revenue of the Motor License Fund," deleting a bridge project in Allegheny County; adding bridge projects in various counties; and providing for reimbursement to municipalities.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Section 2 of the act of December 8, 1982 (P.L. 848, No. 235), known as the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983, amended October 10, 1984 (P.L. 793, No. 161), is amended to read:

Section 2. Total authorization for bridge projects.

(a) The total authorization for the costs of the projects itemized pursuant to section 3 and to be financed from current revenue or by the incurring of debt shall be ~~[\$1,075,378,950]~~ **\$2,099,572,950**.

(b) The authorization for capital projects in the category of Highway Projects to be constructed by the Department of Transportation, its successors or assigns, and to be financed by the incurring of debt or from the Highway-Railroad and Highway Bridge Improvement Restricted Account within the Motor License Fund, itemized in section 3 under the category of State bridges, is ~~[\$782,400,000]~~ **\$1,391,500,000**.

(c) The authorization for non-State highway bridge projects to be constructed by local government municipalities and to be financed in part with grants not exceeding 80% of the non-Federal share of the costs made to the local government municipalities by the Department of Transportation from revenues deposited in the Highway Bridge Improvement Restricted Account within the Motor License Fund, itemized in section 3 under the category of local bridges, is ~~[\$292,978,950]~~ **\$708,072,950**.

Section 2. Section 3(2)(i)(QQ) of the act is repealed.

Section 3. Section 3 of the act is amended by adding or amending projects to read:

Section 3. Itemization of bridge projects.

The individual capital projects in the category of highway projects to be constructed by the Department of Transportation, its successors or assigns, and to be financed from current revenue or by the incurring of debt are hereby itemized, together with their estimated financial costs, as follows:

Section 4. Sections 7 and 10 of the act, amended October 10, 1984 (P.L.793, No.161), are amended to read:

Section 7. Debt authorization.

The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow, from time to time, in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of **[\$782,400,000] \$1,391,500,000** as may be found necessary to carry out the acquisition and construction of the highway projects, specifically itemized in section 3 of this capital budget.

Section 10. Appropriation.

The net proceeds of the sale of the obligations herein authorized are hereby appropriated from the Capital Facilities Fund to the Pennsylvania Department of Transportation in the maximum amount of **[\$781,150,000] \$1,391,500,000** to be used by it exclusively to defray the financial costs of the projects specifically itemized in section 3 of this capital budget. After reserving or paying the expenses of the sale of the obligation, the State Treasurer shall pay out to the Pennsylvania Department of Transportation the moneys as required and certified by it to be legally due and payable.

Section 5. The act is amended by adding a section to read:

Section 12.2. Reimbursement agreements.

In the interest of the public health, safety and welfare, municipalities may begin and complete design, land acquisition and construction of the capital projects enumerated in section 3, subject to the approval of the Pennsylvania Department of Transportation as to structural adequacy, at their own initial risk and expense. To assure a municipality's entitlement to funds, if any, under this act for these purposes, the Commonwealth, through the Pennsylvania Department of Transportation, will enter into an agreement with a municipality to reimburse the municipality for costs previously incurred in the design, land acquisition and construction of capital projects enumerated in section 3 at such time as funds become available, if at all.

Section 6. This act shall take effect immediately.

APPROVED—The 9th day of July, A. D. 1986.

DICK THORNBURGH
