

No. 2005-74

AN ACT

HB 1606

Establishing a program for breast and cervical cancer screening services for certain eligible women; and providing for the powers and duties of the Department of Health.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Short title.

This act shall be known and may be cited as the Pennsylvania Breast and Cervical Cancer Early Screening Act.

Section 2. Definitions.

The following words and phrases when used in this act shall have the meanings given to them in this section unless the context clearly indicates otherwise:

“Clinical breast examination.” A breast examination performed by a health care professional for the purpose of detecting breast cancer.

“Department.” The Department of Health of the Commonwealth.

“Papanicolaou test” or “Pap test.” A microscopic examination of cells scraped from the cervix.

“Pelvic examination.” A physical examination of the uterus, vagina, ovaries, fallopian tubes, bladder and rectum.

“Program.” The Pennsylvania Breast and Cervical Cancer Early Screening Program established in section 3.

“Screening mammogram.” A radiologic procedure furnished to an asymptomatic woman for the purpose of early detection of breast cancer. The term includes a physician’s interpretation of the results of such procedure.

Section 3. Pennsylvania Breast and Cervical Cancer Early Screening Program established.

(a) Program established.—There is hereby established within the Department of Health a program to be known as the Pennsylvania Breast and Cervical Cancer Early Screening Program, which shall provide for the availability of annual breast cancer and cervical cancer screening services for low-income underinsured and uninsured women who are 40 to 49 years of age.

(b) Screening services.—The program shall be administered by the department for women who are eligible under subsection (c) and shall be targeted towards women who are at high risk for breast and cervical cancer.

(c) Eligibility.—To be eligible for the program, an individual must meet all of the following requirements:

(1) Be a woman who is 40 to 49 years of age.

(2) Have a family income that does not exceed 250% of the Federal poverty level.

(3) Have no health insurance coverage for screening mammograms, clinical breast examinations, Pap tests and pelvic examinations for women.

Section 4. Report to General Assembly.

The department shall make an annual report to the General Assembly on the implementation of this act.

Section 5. Rules and regulations.

The department may promulgate such regulations as may be necessary to implement this act.

Section 6. Funding.

Services provided under the program shall not be considered an entitlement and shall be subject to available funds appropriated for this purpose.

Section 7. Effective date.

This act shall take effect July 1, 2006.

APPROVED—The 22nd day of November, A.D. 2005.
