(A) Supplemental funding for the purchase of movable furniture and equipment to allow Performing Arts Center construction project to become operational	1,000,000

Section 5. Itemization of transportation assistance projects.

(a) Mass transit.—Additional capital projects in the category of transportation assistance projects for mass transit in which an interest is to be acquired or constructed by the Department of Transportation, its successors or assigns and to be financed by the incurring of debt are hereby itemized, together with their estimated financial costs, as follows:

Project	Total Project Allocation
(1) Area Transportation Authority	
(i) Purchase six accessible less-than-30-foot replacement buses and one accessible replacement van	112,000
(Base Project Allocation - \$101,000)	
(Design and Contingencies - \$11,000)	
(ii) Provide for continuation of the ITS project, including the automatic vehicle locator and video surveillance systems	239,000
(Base Project Allocation - \$215,000)	
(Design and Contingencies - \$24,000)	
(iii) Construct St. Mary's and Punxsutawney passenger terminals	628,000
(Base Project Allocation - \$565,000)	
(Design and Contingencies - \$63,000)	

- (1.1) Beaver County Transit Authority
- (i) Provide for improvements in bus circulation, passenger waiting and terminal areas at the Rochester Transportation Center (RTC), pedestrian improvements with the Transit Revitalization Investment District (TRID) area and from the RTC to the Rochester riverfront development and signal preemption/prioritization request system in the TRID area 317,000
 - (Base Project Allocation - \$285,000)
 - (Design and Contingencies - \$32,000)
- (2) Berks Area Reading Transit Authority
- (i) Purchase and install an auto vehicle locator system for both fixed route and paratransit systems 167,000
 - (Base Project Allocation - \$150,000)
 - (Design and Contingencies - \$17,000)
- (2.1) Bucks County Transportation Management Association
- (i) Costs related to Phase II of the Quakertown-Stoney Creek Passenger Rail Restoration Project 5,000,000
- (3) Cambria County Transit Authority
- (i) Replace bus wash system, upgrade communication system and purchase security surveillance system 100,000
 - (Base Project Allocation - \$90,000)
 - (Design and Contingencies - \$10,000)
 - (ii) Construct rural transfer center to increase service efficiency, attract new riders and provide easier transfers for riders 100,000
 - (Base Project Allocation - \$90,000)
 - (Design and Contingencies - \$10,000)
 - (iii) Replace six buses which have met their useful life 342,000
 - (Base Project Allocation - \$308,000)
 - (Design and Contingencies - \$34,000)
- (4) Capital Area Transit
- (i) Improve and renovate CAT's maintenance building to include three bays to repair and service 40-foot low floor buses 233,000
 - (Base Project Allocation - \$210,000)
 - (Design and Contingencies - \$23,000)
- (5) Centre Area Transportation Authority
- (i) Purchase 16 buses to replace buses which have met their useful life 167,000
 - (Base Project Allocation - \$150,000)
 - (Design and Contingencies - \$17,000)

(ii) Purchase automatic vehicle locator system with the first phase to equip buses and service vehicles with such items as the automatic enunciators, electronic performance monitoring, stop-by-stop passenger counts, real time passenger information via the Internet and at major stops	156,000
(Base Project Allocation - \$140,000)	
(Design and Contingencies - \$16,000)	
(iii) Park and ride facility	2,500,000
(iv) Replace CNG compressors at the fueling station which have met their useful life	26,000
(Base Project Allocation - \$23,000)	
(Design and Contingencies - \$3,000)	
(v) Purchase 11 CNG transit buses to replace existing buses which have met their useful life	580,000
(Base Project Allocation - \$522,000)	
(Design and Contingencies - \$58,000)	
(6) Crawford Area Transportation Authority	
(i) Construct administrative intermodal center in downtown Meadville and purchase bus related equipment	333,000
(Base Project Allocation - \$300,000)	
(Design and Contingencies - \$33,000)	
(ii) Purchase up to six new accessible fixed-route buses	216,000
(Base Project Allocation - \$194,000)	
(Design and Contingencies - \$22,000)	
(6.1) Elizabethtown Intermodal Transportation Center	
(i) Construction of a high-level platform and elevators at existing Elizabethtown train station	2,000,000
(Base Project Allocation - \$2,000,000)	
(ii) Construction of a new parking garage adjacent to Intermodal Transportation Center	4,000,000
(Base Project Allocation - \$4,000,000)	
(6.2) Elk County Area Transportation Authority	
(i) Construction of the Depot Street intermodal transportation facility and parking deck in the City of St. Mary's	1,500,000
(7) Erie Metropolitan Transit Authority	
(i) Acquire five buses to replace five existing buses which have exceeded their useful life	379,000
(Base Project Allocation - \$341,000)	
(Design and Contingencies - \$38,000)	
(ii) Renovate administration/maintenance facility and purchase shop and miscellaneous equipment	39,000
(Base Project Allocation - \$35,000)	

	(Design and Contingencies - \$4,000)	
(iii)	Purchase technology upgrades to radio and fare box systems and complete systemwide signage	33,000
	(Base Project Allocation - \$30,000)	
	(Design and Contingencies - \$3,000)	
(iv)	Acquire automated vehicle locator system	290,000
	(Base Project Allocation - \$261,000)	
	(Design and Contingencies - \$29,000)	
(v)	Provide for bus replacement, facility rehabilitation and related equipment	540,000
	(Base Project Allocation - \$486,000)	
	(Design and Contingencies - \$54,000)	
(vi)	Construct new transit facility, which will be a combined administration maintenance building for the fixed-route and paratransit divisions	967,000
	(Base Project Allocation - \$870,000)	
	(Design and Contingencies - \$97,000)	
(7.1)	Fayette County	
(i)	Replace 30-foot bus and related equipment	124,000
	(Base Project Allocation - \$112,000)	
	(Design and Contingencies - \$12,000)	
(7.2)	Indiana County Transit Authority	
(i)	Renovation and expansion of bus garage project	260,000
	(Base Project Allocation - \$260,000)	
(7.3)	Lehigh and Northampton Transportation Authority	
(i)	Purchase five heavy duty transit buses for expanded fixed-route public transportation services	290,000
	(Base Project Allocation - \$261,000)	
	(Design and Contingencies - \$29,000)	
(ii)	Replace 20 paratransit service small transit buses which have met their useful life	240,000
	(Base Project Allocation - \$216,000)	
	(Design and Contingencies - \$24,000)	
(7.4)	Port Authority of Allegheny County	
(i)	FY 2009-2010 Federal Flex Funds (STP and/or CMAQ)	2,000,000
(ii)	FY 2009-2010 section 5309 fixed guideway modernization	5,000,000
(iii)	FY 2009-2010 East-West Corridor Rapid Transit	5,000,000
(iv)	FY 2009-2010 Infrastructure Safety Renewal Program (ISRP)	17,000,000
(v)	FY 2009-2010 vehicle overhaul	4,000,000
(vi)	FY 2009-2010 section 5307 Formula Program	7,000,000
(vii)	Completion of linear park in Edgewood Borough	

adjacent to East Busway facility	7,200,000
(viii) Construction and infrastructure-related costs for the Robinson Intermodal Facility	4,000,000
(ix) Provide for a smart card-based fare collection system that can be utilized by all regional transit operators that elect to participate in the project utilizing common infrastructure for better coordination of regional services	9,472,000
(Base Project Allocation - \$8,525,000)	
(Design and Contingencies - \$947,000)	
(7.5) Luzerne County	
(i) Acquisition, construction, infrastructure and other related costs for an intermodal transportation facility in City of Wilkes-Barre	4,000,000
(7.6) Montgomery County	
(i) Construction and renovations for Jenkintown intermodal facility to include parking and transit access	2,000,000
(7.7) Mount Joy AMTRAK Station	
(i) Infrastructure, construction and other related costs for the renovations and upgrades to facilities, including ADA-related improvements and the construction of a platform for freight and passenger use	1,900,000
(7.8) Pottstown Urban Transit	
(i) Replace existing buses which have met their useful life	657,000
(Base Project Allocation - \$591,000)	
(Design and Contingencies - \$66,000)	
(8) Red Rose Transit Authority	
(i) Replace bus washer and renovation and expand bus storage building	375,000
(Base Project Allocation - \$337,000)	
(Design and Contingencies - \$38,000)	
(ii) Design and construct new station on AMTRAK Harrisburg to Philadelphia line in Paradise Township, Lancaster County	200,000
(Base Project Allocation - \$180,000)	
(Design and Contingencies - \$20,000)	
(iii) Renovate and expand operations center bus storage building, maintenance garage and administration office	967,000
(Base Project Allocation - \$870,000)	
(Design and Contingencies - \$97,000)	

- (iv) Provide for fare collection and support equipment (bus washer) purchase and replacement program 242,000
(Base Project Allocation - \$218,000)
(Design and Contingencies - \$24,000)
- (9) Shenango Valley Shuttle Service
 - (i) Construct a maintenance facility including equipment and land acquisition 250,000
(Base Project Allocation - \$225,000)
(Design and Contingencies - \$25,000)
- (10) Southeastern Pennsylvania Transportation Authority
 - (i) Provide for the rehabilitation of improvements at Croyden and Levittown Stations located in Bucks County with improvements to include the installation of bus shelters and transit signage, station improvements, bus access improvements at both stations and parking expansion 3,500,000
(Base Project Allocation - \$3,150,000)

(Base Project Allocation - \$562,000)
(Design and Contingencies - \$63,000)
 - (v) FFY 2002 Section 5309 Transit Enhancement Program, provide additional funding for the

acquisition of 104 new rail cars for SEPTA Regional Rail service	2,000,000
(Base Project Allocation - \$1,800,000)	
(Design and Contingencies - \$200,000)	
(vi) FFY 2008 Transit Enhancement Program, provide additional funds for the rehabilitation of the Market Street Elevated Reconstruction Program, including the complete reconstruction of superstructure foundations, abutments and bearings	2,320,000
(Base Project Allocation - \$2,088,000)	
(Design and Contingencies - \$232,000)	
(vii) FFY 2008 Transit Enhancement Program, provide additional funds for the rehabilitation of the Market Street Elevated Reconstruction Program and the Paoli Transportation Center, including the complete reconstruction of superstructure, foundations, abutments and bearings	22,616,000
(Base Project Allocation - \$20,354,000)	
(Design and Contingencies - \$2,262,000)	
(viii) FFY 2009 Transit Enhancement Program, provide for the bus purchase program, fare collection system upgrade, Market Street Elevated Reconstruction, Smart Stations, state of good repair program, station accessibility, systems improvement program and utility fleet renewal	15,077,000
(Base Project Allocation - \$13,569,000)	
(Design and Contingencies - \$1,508,000)	
(ix) Upgrade Silverliner propulsion system and improve the Silverliner IV fleet, including door control relay panel, blending valve and HVAC control upgrade	684,000
(Base Project Allocation - \$616,000)	
(Design and Contingencies - \$68,000)	
(x) FFY 2009 Federal Highway Flex Projects, provide for the Exton Station parking expansion, upgrading of warning devices at various railroad/high grade crossings and the construction of the Villanova Intermodal Transportation Center	967,000
(Base Project Allocation - \$870,000)	
(Design and Contingencies - \$97,000)	
(xi) FFY 2009 Transit Bus Purchase Program, acquire 400 accessible 40-foot low floor buses, including a pricing option for diesel-electric hybrid buses replacing those which have met their useful life	4,175,000
(Base Project Allocation - \$3,757,000)	
(Design and Contingencies - \$418,000)	

(xii) Vehicle Overhaul Program, provide for SEPTA's Fiscal Year 2008-2009 Vehicle Overhaul Program, which provides for the major overhaul of SEPTA's rolling stock	45,435,000
(Base Project Allocation - \$40,891,000)	
(Design and Contingencies - \$4,544,000)	
(xiii) Infrastructure Safety Renewal Program, provide for SEPTA's Fiscal Year 2008-2009 Infrastructure Safety Renewal Program, which includes improvements to stations, signals, track, power and buildings	31,901,000
(Base Project Allocation - \$28,711,000)	
(Design and Contingencies - \$3,190,000)	
(11) Union and Snyder Transit Authority	
(i) Construct maintenance facility, including equipment and land acquisition	304,000
(Base Project Allocation - \$273,000)	
(Design and Contingencies - \$31,000)	
(ii) Additional funds to construct a vehicle storage and maintenance facility and purchase shop equipment	191,000
(Base Project Allocation - \$172,000)	
(Design and Contingencies - \$19,000)	
(12) Department of Transportation	
(i) Provide for rail passenger improvements across this Commonwealth, including matching funds for the Keystone Corridor Federal funding	15,000,000
(Base Project Allocation - \$13,500,000)	
(Design and Contingencies - \$1,500,000)	
(ii) Provide for Intercity Bus Capital Assistance Intermodal Projects and ADA related facilities/equipment improvements	2,000,000
(Base Project Allocation - \$1,800,000)	
(Design and Contingencies - \$200,000)	
(b) Rural and intercity rail.—Additional capital projects in the category of transportation assistance projects for rural and intercity rail service projects to be constructed or with respect to which an interest is to be acquired by the Department of Transportation, its successors or assigns and to be financed by the incurring of debt are hereby itemized, together with their respective estimated financial costs, as follows:	
Project	Total Project Allocation
(1) Allegheny County	
(i) US Steel Mon Valley Transportation Assistance project, including rehabilitation and replacement of	

<p>rail infrastructure to maintain capacity and operating capability, reconstruction of culverts and ditches on property and enhancement of tracks to accommodate heavier cars</p>	10,000,000
<p>(ii) Development and utilization of high-performance precision manufacturing technology for deployment of the Pennsylvania High-Speed Maglev System across Pennsylvania, with stops, including, but not limited to, Greater Pittsburgh International Airport, Pittsburgh, Monroeville, Westmoreland County, Johnstown, Altoona, State College, Lewistown, Harrisburg, Lancaster, Delaware County and Philadelphia and for use in bridge and elevated highway structures, including structural beams such as I-beams and tub girders and other metal-fabricated infrastructure components for transportation systems</p>	45,000,000
<p>(1.1) Armstrong County</p>	
<p>(i) Reconstruction of an eight-mile spur of railroad in Bethel Township</p>	5,000,000

After reserving or paying the expense of the sale of the obligation, the State Treasurer shall pay to the Department of Transportation the moneys as required and certified by it to be legally due and payable.

Section 16. Federal funds.

In addition to those funds appropriated in section 15, all moneys received from the Federal Government for the projects specifically itemized in this act are also hereby appropriated for those projects.

Section 17. Delegation.

(1) Notwithstanding any provision of law to the contrary, the Department of General Services may delegate the design and construction of the project contained in section 3(9)(ix)(A) to Drexel University.

(2) For the public improvement projects specifically itemized in section 3(14), the Department of General Services may delegate the Authority to construct, improve, equip, furnish, maintain, acquire or operate such projects to the Philadelphia Regional Port Authority. Notwithstanding any provision of law to the contrary, the Philadelphia Regional Port Authority, at its discretion and subsequent to the aforementioned delegation, may contract with one or more of the tenant companies leasing or operating port facilities at the Port of Philadelphia for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring or operating the public improvement projects specifically itemized in section 3(14). Any project itemized in section 3(14) delegated to the Philadelphia Regional Port Authority for which the Authority contracts with a tenant company for the purpose of constructing, improving, equipping, furnishing, maintaining, acquiring or operating the project shall be exempt from the first paragraph of section 1 of the act of May 1, 1913 (P.L.155, No.104), referred to as the Separations Act, and the provisions of the act of March 3, 1978 (P.L.6, No.3), known as the Steel Products Procurement Act, and any provisions of the law requiring the bidding of projects.

Section 18. Department of Corrections facilities.

(a) Preemption of local ordinances.—Capital projects in the category of public improvement projects specifically itemized for the Department of Corrections in section 3(4)(i), (iii), (vi), (viii), (ix), (x)(B), (xi)(B), (xii)(B), (xiii), (xiv), (xv)(B), (xvi) and (xix) and section 11(1) of this act are hereby authorized to be constructed, erected or acquired by the Department of General Services, its successors or assigns, of the Department of Corrections, notwithstanding any zoning ordinance, land use ordinance, building code or other regulation adopted or enacted by a political subdivision under the

authority of any statute or under the authority of any home rule charter authorized and adopted under any statute or the Constitution of Pennsylvania.

(b) Preemption of local ordinances for 2005-2006 projects.—Capital projects in the category of public improvement projects specifically itemized for the Department of Corrections in section 3(5)(iv.2)(A), (iv.4)(A) and (v.1)(A) of the act of July 7, 2006 (P.L.390, No.83), known as the Capital Budget Project Itemization Act of 2005-2006, are hereby authorized to be constructed, erected or acquired by the Department of General Services, its successors or assigns, of the Department of Corrections, notwithstanding any zoning ordinance, land use ordinance, building code or other regulation adopted or enacted by a political subdivision under the authority of any statute or under the authority of any home rule charter authorized and adopted under any statute or the Constitution of Pennsylvania.

(c) Preemption of local ordinances for 2001-2002 projects.—The capital projects in the category of public improvement projects specifically itemized for the Department of Corrections in section 3(4)(xi)(A) of the act of October 30, 2002 (P.L.891, No.131), known as the Capital Budget Project Itemization Act of 2001-2002, are hereby authorized to be constructed, erected or acquired by the Department of General Services, its successors or assigns, of the Department of Corrections, notwithstanding any zoning ordinance, land use ordinance, building code or other regulation adopted or enacted by a political subdivision under the authority of any statute or under the authority of any home rule charter authorized and adopted under any statute or the Constitution of Pennsylvania.

Section 19. Special contract provisions for Department of Corrections projects.

The Department of General Services shall use the competitive sealed proposal method of source selection to enter into a design/build contract for the projects which are authorized in section 3(4)(i), (iii), (vi), (viii), (ix), (x)(B), (xi)(B), (xii)(B), (xiii), (xiv), (xvi) and (xix) and section 11(1). Notwithstanding the provisions of 62 Pa.C.S. § 322(6) (relating to specific construction powers, duties and procedures), the Department of General Services shall comply with the provisions of the act of May 1, 1913 (P.L.155, No.104), referred to as the Separations Act, by entering into a design/build contract which requires that the design/build contractor comply with the requirements of the Separations Act. The Secretary of the Budget shall give notification of any such design/build contracts to the chairman and minority chairman of the Appropriations Committee of the Senate and the chairman and minority chairman of the Appropriations Committee of the House of Representatives ten days prior to advertising for a developer.

Section 20. Special contract provisions for Department of Conservation and Natural Resources projects.

Any Department of Conservation and Natural Resources public improvement project-eligible expenditure of funds incurred prior to the effective date of this act which is directly related to a public improvement capital project itemized in section 3(3)(xxi) shall be considered eligible to be utilized as a portion of the expenditure of funds and may be considered as

eligible for reimbursement from capital funds for a public improvement capital project itemized in section 3(3)(xxi).

Section 21. Department of General Services authorization.

(1) The Department of General Services is authorized, subject to executive approval and authorization, to construct the Family Court Building itemized in section 3(7)(iv)(E) by contract awarded by the Department of General Services or to acquire the Family Court Building by means of a lease with an option to purchase.

(2) The Department of General Services is authorized, subject to executive approval and authorization, to construct a terminal facility for fresh food distribution itemized in section 3(8)(ii)(B) of the act of June 22, 2004 (P.L.257, No.40), known as the Capital Budget Project Itemization Act of 2003-2004, by contract awarded by the Department of General Services or to acquire a terminal facility for fresh food distribution with an option to purchase.

Section 22. Special provisions for Pennsylvania Fish and Boat Commission projects.

Notwithstanding any other provision of law to the contrary, the individual capital projects in the category of public improvement projects to be acquired or developed by the Pennsylvania Fish and Boat Commission itemized in section 11.2(1)(iii), (v), (vi), (vii), (viii), (ix), (x), (xi), (xii), (xiii) and (xiv) may be financed by the incurring of debt repayable from the General Fund pursuant to executive authorizations.

Section 23. Special provisions relating to Chester Economic Development Authority.

Notwithstanding any other law to the contrary, the requirement of section 318 of the act of February 9, 1999 (P.L.1, No.1), known as the Capital Facilities Debt Enabling Act, shall provide the sole and exclusive requirements for bidding any portion of the project itemized in section 6(23)(ii)(b)(I) receiving any funds from State agencies, authorities and instrumentalities.

Section 24. Repeal.

Section 26.1(c) of the act of June 22, 2004 (P.L.257, No.40), known as the Capital Budget Project Itemization Act of 2003-2004, is repealed.

Section 25. Editorial changes.

In editing and preparing this act for printing following the final enactment, the Legislative Reference Bureau shall insert or revise letters or numbers for projects where the letters or numbers are missing or require revision. The bureau shall also revise the total monetary amounts for the total authorization, debt authorization, appropriations and departmental totals as necessary to agree with the total monetary amounts of the projects.

Section 26. Effective date.

This act shall take effect July 1, 2007, or immediately, whichever is later.

APPROVED—The 4th day of July, A.D. 2008.

EDWARD G. RENDELL
