In [such] *those* boroughs, the number of members of council is fixed at three in each ward until [such] *the* number is reduced in the manner provided by this act. Section 57. Sections 811, 812, 813 and 814 of the act, amended June 25, 2001 (P.L.651, No.56), are amended to read:

Section 811. Election of Members of Council.—*(a)* At the municipal election to be held in the year 1967, there shall be elected in each borough a sufficient number of members of council to equal one-half of the entire number of which [such] *the* council is legally composed, to serve for a term of four years from the first Monday of January next succeeding[, and, where such] *the election. Where the* entire number *of council* is seven, nine, or eleven, then *it shall be* sufficient to [constitute] *elect* three, four, or five

*council members*, as the case may be; **the aforesaid members of council, to be**. *The members of council* elected in the year 1967, being successors to those elected in the year 1963, whose terms, as heretofore provided by law, expire on the first Monday of January, 1968. All members of council whose terms expire on the first Monday of January, 1970 shall continue to hold their office until the first Monday of January, 1970, as now provided, and their successors shall be elected at the municipal election in the year 1969, to serve for a term of four years, from the first Monday of January next succeeding. If for any reason members of council are not elected as **[hereinabove]** provided *under this section*, members of council whose terms end on the same date shall cast lots to determine who shall serve for a two-year term and who shall serve for a four-year term. The secretary of the borough shall certify the results to the appropriate county board of elections.

(b) Biennially thereafter, at the municipal election, a sufficient number of members of council shall be elected, for a term of four years from the first Monday of January next succeeding, to fill the places of those whose terms, under the provisions of this act, shall expire on the first Monday of January next following **[such]** *the* election.

Section 812. Election of Members of Council Where New Wards Created.—(a) Whenever **[the court of common pleas shall]** *council shall, by ordinance*, divide any borough into wards, erect new wards out of two or more wards or parts **[thereof,]** *of wards or* divide a ward already erected into two or more wards, **[or create a new ward out of annexed territory, and when the report, in such case, is confirmed by the court, it shall, at the same time, decree]** *the ordinance shall provide for* the election of an equal number of members of council, in each of the wards, in **[such]** a manner as not to interfere with the terms of those **[theretofore]** *previously* elected.

(b) Where a borough is first divided into wards, the **[court]** *ordinance providing for the division* shall fix the number of members of council in each ward at not more than two. **[In decreeing such election, when]** *When* the entire number of council shall be composed of an even number, **[the decree shall be so made that]** one-half of the entire number shall thereafter be elected at each municipal election. When the entire number of council shall be an odd number, the **[court shall divide such council into]** *ordinance shall establish* two classes, and shall **[make its decrees so]** *provide* that one-half of the entire number of members of council, less one, shall, as soon as possible, take their office in a year divisible by four, and the remaining number of members of council shall take their office in an even-numbered year not divisible by four. The apportionment shall be **[so made by the court that there shall be]** equal or as nearly equal as possible, representation by wards in each class. Biennially thereafter, at each municipal election, a sufficient number of members of council shall be elected, for the term of four years from the first Monday of January next succeeding, to fill the places of those whose terms shall expire on the first Monday of **[the]** January next following **[such]** *the* election.

Section 813. Fixing Number of Members of Council When Wards Created.—Whenever upon the division of **[any]** a borough into wards, or the creation of a new ward or wards, the number of members of council cannot be equally divided among the wards of the boroughs, it shall be lawful for

[the court, in decreeing such division or creation,] *council* to increase the number of council to, and not exceeding, [such number as] *a number that* will enable [the court to make an] equal apportionment of the same among the several wards of [such] *the* borough. But where a borough is first divided into wards, the number of members of council provided for a ward shall not exceed two.

Section 814. Increase in Number of [Members of Council.—The court of common pleas, having fixed the number of members of council, as provided in section 812 of this article,] *Ward Council Members*.—*Council* may, upon petition of at least five percent of the registered electors of the borough, increase the [same] *number of members of council* to any number not exceeding two for each ward. The sufficiency of the number of signers to [any such] *the* petition shall be ascertained as of the date when the petition is presented to [court] *council*.

Section 58. Section 815 of the act, amended May 7, 1998 (P.L.347, No.54), is amended to read:

Section 815. Decrease of Number of Ward Council Members.—Whenever, in any borough divided into wards, the council consists of more than seven members, at least five percent of the registered electors of [such] *the* borough shall have power to petition [the court of common pleas] *council* for a decrease in the number of members of council from each ward, but in no instance shall the council consist of less than seven members. The purpose of [such] *the* decrease may be to achieve any or all of the following results:

- (1) a council which is less unwieldy in size;
- (2) a council which is comparable in size to those in boroughs not divided into wards;
- (3) a council consisting of an odd number of members instead of an even number;
- (4) a reduction in borough expenditures; and[,]
- (5) the expedition of the conduct of council meetings.

[Said] *The* petition shall clearly state whether [it is the prayer of] the petitioners *request* that the number of members of [such] *the* council to be elected in each ward shall be reduced from two to one, or from three to two or one, and shall further state the reasons why [such] *the* reduction in number shall be desired. The petition may also state whether it is necessary to add a council member or members to be elected at large in order to achieve or maintain a council consisting of at least seven members or to achieve or maintain a council consisting of an odd number of members. The sufficiency of the number of signers to [any such] *the* petition shall be ascertained as of the date the petition is presented to [court] *council*.

The [court] *council* shall give notice of the filing of [such] *the* petition by advertisement in the legal [journal] *newspaper* of the county, if one is published in the county, and in one newspaper of general circulation [in the borough], and in [such] *the* notice shall fix a day and time for [hearing] *a public meeting*. After [such hearing, the court may] *the public meeting council may, by ordinance*, decrease the number of council members elected from each ward from two to one, or from three to two or one, and may also provide for the election at large of a member or members of council. [The

**court] Council** shall, if necessary, establish a schedule for the subsequent at-large election of council members. The schedule may provide that the initial term of one or more of the council members subsequently elected at large shall be reduced to accommodate a schedule of staggered at-large elections to eventually insure that, as **[near as may be] nearly as** possible, one-half of the members of council elected at large will be elected at each municipal election.

At each municipal election thereafter in **[such] the** borough, where there are two members from each ward, the electors of each ward shall elect one council member to hold office for a term of four years from the first Monday of January next succeeding the election.

At each municipal election thereafter in **[such] the** boroughs, where there is one member from each ward, the electors from each of the odd-numbered wards shall, at the first municipal election thereafter, elect one council member for a term of four years, and the electors from each of the even-numbered wards shall elect one council member for a term of two years. At each municipal election thereafter, the electors of the even-numbered wards, or odd-numbered wards as the case may be, shall each elect one council member for a term of four years, to take the place of those whose terms are about to expire. **[All such] The** council members shall take office on the first Monday of January following their election.

In any borough where, under the provisions of this section, the number of council members shall be reduced, the council members then in office shall remain in office until the end of their respective terms.

Section 59. Sections 816, 817 and 818 of the act, amended June 25, 2001 (P.L.651, No.56), are amended to read:

Section 816. Election of Members of Council Where Wards Abolished.—**(a)** Whenever **[the court of common pleas shall abolish all wards in any borough and when the report in such case is confirmed by the court, it shall, at the same time, decree] council shall, by ordinance, abolish all wards in a borough, the ordinance shall provide for** the election of seven members of council at large for the borough in **[such] a** manner as not to interfere with the terms of those ward members of council **[theretofore] previously** elected. **[In decreeing such election, where] Where** there were **[theretofore] previously**:

(1) Seven members of council, the **[decree shall be so made] ordinance shall provide** that, at the first municipal election thereafter the electors shall elect three or four members of council, as the case may be, the number to be elected to be that which, when added to the number of members of council already in office whose terms are not about to expire, shall bring the membership of the council to seven. **[Such] The** newly elected members of council shall serve for terms of four years from the first Monday of January next succeeding **[such] the** first municipal election, except that, in any case where the election of four members of council shall be required to bring the membership of council to its full complement of seven, and only three members of council are elected at **[such] the** municipal election in the other boroughs of the **[State] Commonwealth** not divided into wards, three members of council shall be elected for four-year terms and one for a two-year term. Thereafter, at every succeeding municipal election, the electors

shall elect three or four members of council, as the case may be, each to serve for a term of four years from the first Monday of January following **[such] the** municipal election.

(2) Eight or more members of council, the **[decree shall be so made] ordinance shall provide** that, at the first municipal election thereafter the electors shall elect a sufficient number of members of council that, when added to the number of members of council already in office whose terms are not about to expire, will bring the membership of the council to seven. **[Such] The** newly elected members of council shall serve for terms of four years from the first Monday of January next succeeding **[such] the** first municipal election. At the second municipal election after **[such decree] the effective date of the ordinance**, the electors shall elect a sufficient number of members of council, that, when added to the number of members of council elected at the previous municipal election, shall bring the membership of council to its full complement of seven, some of **[such] the** members of council elected at **[such] the** second municipal election to serve for a four-year term following the first Monday of January next succeeding, the remainder to serve for a two-year term, the number in each case to be that required to bring the number of members of council to be elected in **[such] the** borough in succeeding municipal elections into conformity with the number elected in the other boroughs of the Commonwealth not divided into wards. In the third and all subsequent municipal elections following **[such decree of court] the effective date of the ordinance**, the electors shall elect three or four members of council, as the case may be, each to serve for a term of four years from the first Monday of January following **[such] the** municipal election.

In any **[such]** borough where, under the ward system of electing members of council, the council shall have been so large that there shall be seven or more members of council whose terms shall not expire on the first Monday of January following the first municipal election after **[such decree] the effective date of the ordinance**, no members of council shall be elected at **[such] the** first municipal election, and the members of council remaining in office shall constitute **[such] the** borough council until the first Monday of January following the second municipal election following **[such decree] the effective date of the ordinance**. At **[such] the** second municipal election, seven members of council shall be elected in **[such] the** borough, some to serve for a four-year term of office from the first Monday of January following **[such] the** second municipal election, the remainder to serve for a two-year term, the number in each case **[to be such]** as *necessary* to bring the number of members of council to be elected in **[such] the** borough in succeeding elections into conformity with the number elected in other boroughs of the Commonwealth not divided into wards. Thereafter, at the third and all subsequent municipal elections following **[such decree] the effective date of the ordinance**, the electors shall elect three or four members of council, as the case may be, each to serve for a term of four years from the first Monday of January following **[such] the** subsequent municipal election.

(3) Six or fewer members of council, the **[decree shall be made so] ordinance shall provide** that at the first municipal election thereafter, the

electors shall elect a sufficient number of members of council that, when added to the number of members of council already in office whose terms are not about to expire, will bring the membership of council to its full complement of seven. Of **[such] the** newly elected members of council, either three or four, as necessary to bring the number of members of council to be elected in **[such] the** borough in succeeding municipal elections into conformity with the number elected in other boroughs of the Commonwealth not divided into wards, shall be elected for four-year terms of office, beginning the first Monday of January following **[such] the** first municipal election, and the balance shall be elected for two-year terms. Thereafter, at the second municipal election following **[such decree] the effective date of the ordinance** and at all subsequent municipal elections, the electors shall elect three or four members of council, as the case may be, to serve for a term of four years from the first Monday of January following **[such] the** subsequent municipal election.

**[In any case where a vacancy may occur, at] (b) At** any time following **[such decree,] the effective date of the ordinance, where a vacancy may occur** in the office of a member of council originally elected or appointed from a particular ward, the person appointed to fill **[such] the** vacancy need not be a resident of the area formerly comprising **[such] the** ward, but **[need only be a registered elector of the borough] shall be otherwise qualified for office as provided in section 801.**

Section 817. Vacancies Created After a Primary Election.—Whenever **[a decree of court is made after a primary election and, as a result thereof,]** a vacancy is created in the office of member of council **by any ordinance or decree of court as provided in this subdivision after a primary election,** it may be filled by nomination made by **[such] the** committee as is authorized by the rules of the party to make nominations in the event of vacancies on the party ticket.

Section 818. Decrease in Number of Members of Council.—The court of common pleas may, upon petition of at least five percent of the registered electors of any borough **not divided into wards,** which, according to the latest official census, had a population of not more than three thousand, reduce the total number of members of council for **[such] the** borough from seven to five or to three. The sufficiency of the number of signers to **[any such] the** petition shall be ascertained as of the date when the petition is presented to court.

The court shall give notice of the filing of **[such] the** petition by advertisement in the legal **[journal] newspaper** of the county, if one is published in the county, and in one newspaper of general circulation **[in the borough],** and in **[such] the** notice shall fix a day and time for hearing. After **[such] the** hearing, the court may decrease the number of members of council elected in **[such] the** borough from seven to five or three, as requested in the petition.

At the municipal election following the decrease in the number of members of council in **[such] the** borough, from seven to five, if four members of council would otherwise have been elected, there shall instead be elected three members of council; if three members of council would otherwise have been elected there shall instead be elected two members of

council. At the second municipal election following the decrease in the number of members of council in **[such] the** borough, if four members of council would otherwise have been elected, there shall instead be elected three members of council; if three members of council would otherwise have been elected, there shall be elected two members of council. At all following municipal elections, there shall be elected the proper number of members of council to correspond to the number of members of council whose terms are to expire the first Monday of the following January.

At the municipal election following the decrease in the number of members of council in **[such] the** borough from seven to three, if four members of council would otherwise have been elected there shall instead be elected two members of council; if three members of council would otherwise have been elected there shall instead be elected one member of council. At the second municipal election following the decrease in the number of members of council in **[such] the** borough, if four members of council would otherwise have been elected, there shall instead be elected two members of council; if three members of council would otherwise have been elected, there shall be elected one member of council. At all the following municipal elections, there shall be elected the proper number of members of council to correspond to the number of members of council whose terms are to expire the first Monday of the following January.

In any borough where, under the provisions of this section, the number of members of council shall be reduced, the members of council then in office shall remain in office until the end of their respective terms. If **[any such] a** borough shall thereafter attain a population in excess of three thousand, according to the latest official census, the number of members of council shall automatically be increased from three or five to seven, following the reverse of the procedure set forth in the third or fourth paragraph of this section, as the case may be.

Any taxpayer of the borough may enforce the collection thereof, for the benefit of the borough, by action or execution, upon filing in the court of common pleas a bond, in the sum of five hundred dollars (\$500) with one or more sureties, conditioned to indemnify the borough from all costs which may accrue in the proceedings undertaken by such taxpayer, subject, however, to all rights of appeal from the report of independent auditors granted by this act. If any person or persons have been, or shall be, surcharged for an illegal purchase, and no fraud or collusion is shown and the surcharge is paid to the borough, then the articles purchased shall become the property of the person or persons surcharged.

persons whom it may be necessary to examine as witnesses, and to compel their attendance. If any person shall refuse or neglect to appear or testify, the independent auditor shall petition the court of common pleas of the county to issue a subpoena to such person and to require him to appear and to testify before the court. The court shall issue such subpoena if it deems the testimony relevant to the issue.

(c) The independent auditor shall have power to administer oaths and affirmations to all persons brought or appearing before him, whether accountants, witnesses, or otherwise. All persons guilty of swearing or affirming falsely on such examination shall be liable to the pains and penalties of perjury.

(d) If any person, appearing before such independent auditor for examination, shall refuse to take such oath or affirmation, or, after having been sworn or affirmed, shall refuse to make answer to such questions as shall be put to him by the independent auditor touching the accounts or the official conduct of such public officers or any of them, then the independent auditor may petition the court to issue its subpoena as hereinbefore provided.

(e) Witnesses, other than officers of the borough, attending before the independent auditor and persons or officers serving subpoenas shall be paid out of the borough treasury, upon orders drawn on the borough treasury, pursuant to authorization by the independent auditor, the same fees as are payable for rendering similar services in civil proceedings before a justice of the peace, and the amount thereof shall be made a part of the charge against any officer who shall be charged by the independent auditor with any balance: Provided, that any such costs shall have been incurred in establishing said balance. Upon collection of any such costs from any officer, they shall be repaid into the borough treasury.

(f) If any person in possession of books, vouchers, or papers, relative to public accounts before independent auditor, shall refuse to produce the same or, if any officer whose accounts are to be settled and adjusted by such independent auditor refuses to attend or submit to examination as is hereinbefore directed, the independent auditor may proceed, by the examination of witnesses and other evidence, to ascertain and settle as near as may be, the amount of public money received by such officer and its application to public purposes or otherwise.]

The amount of the contract shall in all cases, whether of straight sale price, conditional sale, [bailment] lease, ***lease purchase*** or otherwise, be the entire amount which the borough pays to the successful bidder or his assigns in order to obtain the services or property, or both, and shall not be construed to mean only the amount which is paid to acquire title or to receive any other particular benefit or benefits of the whole bargain. [In awarding contracts, council shall have the right to take into consideration such other factors as the availability, cost and quality of service.]

(a.1) Written or telephonic price quotations from at least three qualified and responsible contractors shall be requested for all contracts in excess of the base amount of ten thousand dollars (\$10,000) subject to adjustment under subsection (a.2), but are less than the amount requiring advertisement and competitive bidding or, in lieu of price quotations, a memorandum shall be kept on file showing that fewer than three qualified contractors exist in the market area within which it is practicable to obtain quotations. (ii) The preliminary adjusted amounts shall be rounded to the nearest one hundred dollars (\$100) to determine the final adjusted base amounts for purposes of subsections (a) and (a.1).

(4) In each successive year in which there is a positive percentage change in the CPI-U for the United States City Average, the positive percentage change shall be multiplied by the most recent preliminary adjusted amounts and the products shall be added to the preliminary adjusted amount of the prior year to calculate the preliminary adjusted amounts, for the current year. The sums thereof shall be rounded to the nearest one hundred dollars (\$100) to determine the new final adjusted base amounts for purposes of subsections (a) and (a.1).

(5) The determinations and adjustments required under this subsection shall be made in the period between October 1 and November 15 of the year following the effective date of this subsection and annually between October 1 and November 15 of each year thereafter.

The notice shall include a written and illustrative explanation of the calculations performed by the department in establishing the unadjusted or final adjusted base amounts under this subsection for the ensuing calendar year.

(8) The annual increase in the preliminary adjusted base amounts obtained under paragraphs (3) and (4) shall not exceed three percent.

(b) (1) The award of contracts shall only be made by public announcement at the meeting at which bids are received, or at a subsequent meeting, the time and place of which shall be publicly announced when bids are received. Section 1403. Evasion of Advertising Requirements.—(a) No member or members of council shall evade the provisions of section 1402 hereof as to advertising for bids, by purchasing or contracting for services and personal properties piecemeal for the purpose of obtaining prices under the amount specified or adjusted under section 1402(a) upon transactions, which transactions should, in the exercise of reasonable discretion and prudence, be conducted as one transaction amounting to more than the amount specified or adjusted under section 1402(a). This provision is intended to make unlawful the evading of advertising requirements by making a series of purchases or contracts, each for less than the advertising requirement price, or by making several simultaneous purchases or contracts, each below said price, when, in either case, the transactions involved should have been made as one transaction for one price. Any members of council who so vote in violation of this provision and who know that the transaction upon which they so vote is or ought to be a part of a larger transaction and that it is being divided in order to evade the requirements as to advertising for bids, shall be jointly and severally subject to surcharge for ten percent of the full amount of the contract or purchase. Whenever it shall appear that a member of council may have voted in violation of this section but the purchase or contract on which [he so] *the member of council* voted was not approved by council, this section shall be inapplicable.

(b) Any council member who votes to unlawfully evade the provisions of section 1402 and who knows that the transaction upon which he so votes is

or ought to be a part of a larger transaction and that it is being divided in order to evade the requirements as to advertising for bids commits a misdemeanor of the third degree for each contract entered into as a direct result of that vote. This penalty shall be in addition to any surcharge which may be assessed pursuant to subsection (a).

But in the case of a member of council or mayor, if he knows that he is within the exception just mentioned he shall so inform council and shall refrain from voting on the expenditure or any ordinance relating thereto, and shall in no manner participate therein. Any official or appointee who shall knowingly violate the provisions of this section shall be subject to surcharge to the extent of the damage shown to be thereby sustained by the borough and to ouster from office, and shall be guilty of a misdemeanor, and upon conviction thereof shall be sentenced to pay a fine not exceeding one thousand dollars (\$1000), or not exceeding one hundred eighty days' imprisonment, or both] *Elected and appointed borough officials and borough employes shall be restricted from any interest in borough contracts and purchases to the extent provided in 65 Pa.C.S. Such additional bond shall be deposited with and held by the borough for the use of any party interested therein. Every such additional bond shall provide that every person, copartnership, association, or corporation, who, whether as subcontractor or otherwise, has furnished material or supplied or performed labor in the prosecution of the work as above provided, and who has not been paid therefor, may sue in assumpsit on said additional bond, in the name of the borough, for his, their or its use and prosecute the same to final judgment for such sum or sums as may be justly due him, them, or it and have execution thereof; provided, the borough shall not be liable for the payment of any costs or expense of any suit.] Before any contract exceeding ten thousand dollars (\$10,000) is awarded to any prime contractor or construction manager for the construction, erection,**

Every contract for the construction, alteration or repair of any public work or improvement, founded on specifications containing any such stipulation for minimum wage or wages, shall stipulate a penalty of an amount equal to twice the difference between the minimum wage contained in said specifications and the wage actually paid to each laborer or mechanic for each day during which he shall have been employed at a wage less than that prescribed in said specifications.

Every officer or person designated as an inspector of or having supervision over the work to be performed under any such contract, in order to aid in enforcing the fulfillment thereof, shall, upon observation or investigation, report to the borough council or agency which let the contract, all violations of minimum wage stipulations, together with the name of each laborer or mechanic who has been paid a wage less than prescribed by the specifications, and the day or days of such violation.

**ARTICLE XXI-A**  
**ASSESSMENTS AND CHARGES FOR PUBLIC IMPROVEMENTS**

*Section 2101-A. Authority to assess.*

*(a) General rule.*—Borough council shall have the power to pay the cost, in whole or in part, of any and all public improvements of all natures and descriptions, including, but not limited to, the grading, building, paving, regrading, rebuilding and repaving of streets as defined in section 1701, the creation, extension, renovation or enlargement of water mains and sewage collection, transmission, treatment and disposal systems and the creation, extension and renovation of storm, surface and subsurface drainage systems, the construction, reconstruction and repair of wharves and docks, the installation of ornamental street lighting or the planting, removal, maintenance and protection of shade trees by any of the following methods:

- (1) from general borough funds;*
- (2) from special borough funds created for that purpose; or*
- (3) by assessment of costs against the benefited properties either on the front foot or benefit conferred method of assessment.*

*Except as provided in subsection (c), the costs and expenses of sanitary sewers may be assessed against properties benefited, accommodated or improved regardless of the property line location and regardless of whether any portion of a property so benefited, accommodated or physically improved abuts upon the sanitary sewer.*

*(b) Payment of indebtedness.—*

*(1) If a borough that incurs authorized indebtedness pursuant to 53 Pa.C.S. Pt. VII Subpt. B (relating to indebtedness and borrowing) for the purposes of funding the cost and expense of making public improvements for which assessments can be made in accordance with this article, payments made on the assessment must be applied to pay the debt service for the indebtedness incurred for funding the cost and expense of making the public improvement.*

*(2) Notwithstanding section 2107-A, when bonds are issued in a manner provided by law and an assessment is to be paid in installments, the assessment shall be payable in equal installments during the term for which the bond is issued, and the cost of the improvement plus interest beginning the first day when interest is payable on the bond shall be the cost of the improvement to be assessed on a property.*

*(c) Property outside borough.—Property benefited, improved or accommodated which is located outside the limits of the borough that constructed a sanitary sewer may, if located no more than 150 feet from the sewer main, be assessed for the cost of the sewer in the same manner as the property would be assessed under the laws of this Commonwealth if it were entirely located within the limits of the borough, if the property is given permission to use the sanitary sewer and is not, at the time the sanitary sewer is constructed, provided with sanitary sewer facilities.*

*(d) Water mains.—Boroughs shall have power to assess the whole cost or any part of the cost of construction of new water mains built in connection with the establishment or extension of a municipally owned water supply system, even if the mains are located outside the limits of the borough, and that serve abutting properties, against the properties abutting the boundary line. The borough may provide that the assessment be rebated to the owner of the assessed property out of rates charged for water consumed in serving the assessed property. The borough may also issue a negotiable credit memorandum in the amount of the assessment which may be used for the payment of any water service to the extent of the assessment.*

*Section 2102-A. Notice of assessments.*

*The borough secretary shall cause 30 days' personal notice of the assessment to be served upon each property owner assessed. If a certificate is required to be filed with council relating to the public improvement as otherwise provided in this act, then a copy of the certificate shall accompany the notice. "Personal notice" as used in this article shall mean and include notice upon the owner of a property either by personal service upon the owner or by certified mail to the owner at the owner's last known address, or where service, after a reasonable attempt, shall not have been successfully made by either of these two methods, then by leaving notice at or upon the property.*

*Section 2103-A. Assessment based on front foot basis.*

*(a) General rule.—If borough council elects to collect the cost, including any administrative fees, of any improvement on the front foot basis, the cost to be collected shall be divided by the total number of linear feet of street frontage of each property benefited and there shall be*

*assessed against each property that portion of the cost which is determined by multiplying the dividend of the prior calculation by the number of linear feet for street frontage of that property.*

*(b) Certificate of assessment.—Council shall issue a certificate of assessment when assessing on the front foot basis, duly certified under the seal of the borough and attested by the president of council and secretary. The certificate of assessment shall be prima facie evidence in any suit for recovery of the same of the correctness and validity of the assessment.*

*(c) Adjustments in assessments.—Notwithstanding subsection (a), council may make equitable adjustments for corner lots, lots of irregular shape, or, where special conditions exist, where an assessment for full frontage would be unjust.*

*Section 2104-A. Assessment of benefits conferred.*

*(a) General rule.—In lieu of the front foot basis, borough council may elect to have the benefits of public improvements assessed, in whole or in part, upon property benefited, improved or accommodated by assessing an equal assessment on the properties benefited, improved or accommodated in proportion to the total cost of construction of the improvement. The amount of the charge on each property shall be determined by borough council.*

*(b) Certificate.—Council shall issue a certificate of assessment when assessing benefits upon property benefited, improved or accommodated, duly certified under the seal of the borough and attested by the president of council and secretary. The certificate of assessment shall be prima facie evidence in any suit for recovery of the same of the correctness and validity of the assessment.*

*Section 2105-A. Assessment awards.*

*In proceedings to assess benefits, if the land or property is both benefited and damaged by the public improvements, the excess of damages over benefits, or the excess of benefits over damages, or nothing in case the benefits and damages are equal, shall be awarded to or assessed against the owner of land and property affected thereby. Damages shall be calculated pursuant to 26 Pa.C.S. (relating to eminent domain).*

*Section 2106-A. Petition for viewers.*

*(a) Petition.—Taxpayers of the borough whose property is being assessed for benefits for a public improvement may present a petition to the court of common pleas stating that the assessment insufficiently represents the benefits accruing to abutting, benefited or accommodated properties and may include in the petition a request for the appointment of viewers to assess benefits provided that at least 50% of the taxpayers whose parcels are abutting, benefited or accommodated by the public improvement in question join the petition or provided that taxpayers whose property valuation as assessed for taxable purposes within the borough amounts to at least 50% of the total property valuation of the properties being assessed for the public improvement join the petition. The petition must be presented within three months of the adoption of the resolution or enactment of the ordinance levying the assessment.*

The certificate shall state the name of the municipal power agency and the fact and date of incorporation. Upon the issuance of the certificate of incorporation the existence of the municipal power agency as a political instrumentality of the Commonwealth shall begin.

(d) The bylaws of the municipal power agency and any amendments thereto, shall be proposed by the board of directors and shall be adopted by a majority vote of the representatives of the member boroughs, unless the agency agreement requires a greater vote, at a meeting held

(i) The agency agreement may be amended as proposed at any meeting of the representatives of the members for which notice, stating the purpose, shall be given to each representative and, unless the agency agreement or bylaws require otherwise, shall become effective when ratified by resolutions of a majority of the corporate authorities of the member boroughs. Each amendment and the resolutions approving it shall be filed for record with the Secretary of the Commonwealth.

*Section 3202-A. Changes in Uniform Construction Code.*

*A borough may propose and enact an ordinance to equal or exceed the minimum requirements of the Uniform Construction Code in accordance with and subject to the requirements of section 503 of the act of November 10, 1999 (P.L.491, No.45), known as the Pennsylvania Construction Code Act. *(a) General Provisions*

*Section 3301.1. Ordinances; resolutions.*

*(a) General rule.—Borough council shall enact ordinances in accordance and not inconsistent with the provisions of this act and with the laws of this Commonwealth, in which general or specific powers of the borough shall be exercised as it shall deem beneficial to the borough and to provide for the enforcement of the same. Borough council may amend, repeal or revise existing ordinances by the enactment of subsequent ordinances.*

*(b) Legislative acts.—Every legislative act of council shall be by ordinance and these legislative acts shall include, but not be limited to, tax ordinances, general appropriation ordinances, capital expenditures not payable out of current funds, and all legislation exercising the police power of the borough, regulating land use, development and subdivision,*

*Section 3301.2. Publication of proposed ordinances.*

*(a) Publication requirements.—Except where otherwise provided in this act or in other law, borough council shall publish every proposed ordinance once in one newspaper of general circulation no more than 60 days nor fewer than seven days prior to enactment, which the seventh day shall fall on the day prior to the day when council shall vote on the proposed ordinance. Publication of any proposed ordinance shall include either the full text or the title and a brief summary prepared by the borough solicitor setting forth all the provisions in reasonable detail and a reference to a place within the borough where copies of the proposed ordinance may be examined.*

*(b) Publication of summary.—If the full text is not included in the publication of the proposed ordinance, the following shall apply:*

*(1) The newspaper in which the proposed ordinance is published shall, upon request, be furnished a copy of the full text.*

*(2) An attested copy of the full text shall be filed in the county law library or other county office designated by the county commissioners who may impose a fee no greater than that necessary to cover the actual costs of storing the proposed ordinance.*

*(3) The date of the filing with the county, as provided in paragraph (2), shall not affect the effective date of the ordinance and shall not be deemed a defect in the process of the enactment of the ordinance.*

*(c) Notice of amendments.—In the event substantial amendments are made in the proposed ordinance, before voting upon enactment, council shall within ten days readvertise in one newspaper of general circulation, a brief summary setting forth all the provisions in reasonable detail together with a summary of the amendments.*

*Section 3301.3. Enactment, approval and veto of ordinances; effective date.*

*(a) Approval by mayor.—*

(1) Every ordinance enacted by council shall be presented to the mayor for the mayor's approval. As a matter of law, presented to the mayor shall be deemed to mean delivery to the mayor by hand delivery or certified mail, addressee only, to the mayor at the mayor's last known address. Delivery shall be deemed complete upon depositing in the mail, postage or charges prepaid, as evidenced by a certificate of mailing.

(2) If the mayor approves the ordinance, he or she shall sign it. If the mayor does not approve the ordinance, the mayor shall return it with his or her objections which shall be entered upon the minutes, to the council at its next scheduled meeting occurring at least ten days after the meeting at which the ordinance was enacted by council. Council shall proceed to a reconsideration of the ordinance either at the meeting at which the vetoed ordinance was returned or no later than ten days thereafter at any other scheduled meeting. If, after reconsideration, a majority of all elected council members plus one votes to override the mayor's veto, the ordinance shall have full force and effect as if it had received the approval of the mayor. The vote shall be determined by yeas and nays, and the names and votes of the members shall be entered upon the minutes. A scheduled meeting, as used in this section, may be either a regular, special or reconvened meeting.

(3) If any ordinance shall not be returned by the mayor at council's next scheduled meeting occurring at least ten days after its presentation to the mayor, the ordinance shall have full force and effect as if it had been approved by the mayor.

(b) *Effective date.*—The effective date of an enacted ordinance, except as otherwise provided in the ordinance, shall be the date when the mayor shall approve it or the date of enactment by the council over the veto of the mayor, or in the case of any ordinance not returned by the mayor at the next scheduled meeting of council occurring at least ten days after the meeting at which the ordinance was enacted by the council, the date of enactment shall be the date of the succeeding scheduled meeting of council.

(c) *Tax ordinance.*—When council shall present the mayor with the annual tax ordinance referred to in section 1310.1, the mayor shall, within ten days of receiving the tax ordinance approve or return the tax ordinance to the borough secretary with a statement setting forth the mayor's objections. Council shall proceed to a reconsideration at any scheduled meeting held no later than ten days after the mayor has returned the tax ordinance to the secretary with the mayor's objections. The mayor's objections shall be entered upon the minutes of the meeting. A veto of the tax ordinance of the borough may be overridden by a vote of a majority of all elected council members plus one. After that action, the ordinance shall have full force and effect as if it had received the approval of the mayor. If the mayor neither approves the tax ordinance nor returns it with objections, the date of enactment of the tax ordinance shall be the date of the adoption of the tax ordinance by council.

*Section 3301.4. Recording, advertising and proof of ordinances.*

*All borough ordinances shall, within 30 days after (1) approval by the mayor, or (2) council's override of the mayor's veto or (3) council's next scheduled meeting after its presentation to the mayor, be recorded by the borough secretary in a book provided for that purpose, which shall be open to the inspection of citizens during normal business hours. All ordinances may be proved by the certificate of the borough secretary, under the corporate seal. When printed or published in book or pamphlet form by the authority of the borough, the ordinances shall be read and received as evidence in all courts and places without further proof. The entry of the borough ordinance in the ordinance book shall be sufficient, without the signature of the president of council, mayor or member of council. Any and all borough ordinances or portions thereof, the text of which, prior to the effective date of this act, shall have been attached to the ordinance book, shall be considered in force just as if the ordinances or portions thereof had been recorded directly upon the pages of the ordinance book, provided that all other requirements of this act applicable to the enactment, approval, advertising and recording of the ordinances or portions of ordinances were complied with within the time limits prescribed by this act.*

**Section 3301.5. Codification of ordinances.**

(a) *Consolidation, codification and revision.—When a borough has prepared a consolidation, codification or revision of the general body of borough ordinances, or the ordinances on a particular subject, the borough council may adopt the consolidation, codification or revision as an ordinance of the borough in accordance with section 3301.1(a), except as hereinafter provided.*

(b) *Enactment.—Any consolidation, codification or revision of borough ordinances to be enacted as a single ordinance shall be introduced in the borough council at least 30 days before its final enactment. At least 15 days before its final enactment, notice of the introduction of any consolidation, codification or revision, specifying its general nature and listing its table of contents, shall be given by advertisement in a newspaper of general circulation.*

(c) *Notice.—When any consolidation, codification or revision has been enacted as an ordinance, it shall not be necessary to advertise the entire text, but it shall be sufficient to publish a notice stating that the consolidation, codification or revision, notice of the introduction of which had previously been given, was finally enacted.*

(d) *Contents of notice.—In the course of preparing a consolidation, codification or revision of ordinances, a borough may utilize the procedure set forth in subsections (a), (b) and (c) to enact a complete group or body of ordinances, repealing or amending existing ordinances as may be necessary. In such cases, the advertisement giving notice of the introduction shall list, in lieu of a table of contents, the titles only of each of the ordinances in a complete group or body of ordinances, as was finally enacted.*

**Section 3301.6. Appeals from ordinances.**

*Complaint as to the legality of any ordinance or resolution may be made to the court of common pleas. In cases of ordinances laying out streets*

*over private lands, the court shall have jurisdiction to review the propriety as well as the legality of the ordinance.*

**Section 3301.7. Lost ordinance books to be replaced; recording ordinances.**

*(a) Lost ordinance books.—Whenever any ordinance book or books are lost, destroyed or become unserviceable, the borough council may provide by ordinance for a new ordinance book or books into which shall be recorded by the secretary all of the ordinances contained in the lost, destroyed or unserviceable ordinance book or books. The secretary, in recording the ordinances, shall make complete copies of the ordinances, including the date of enactment and approval and the names of the officers who signed the same, and, after notice given, as provided in this section, and corrections made, shall certify each ordinance as a correct copy of the original.*

*(b) Recording ordinances.—The ordinance providing for the recording of ordinances shall be recorded in the ordinance book, immediately following the ordinances so recorded and it shall provide that the secretary of the borough, upon the completion of the recording, shall publish once, in one newspaper of general circulation, a notice stating that ordinances of the borough contained in lost, destroyed or unserviceable ordinance book or books, and that the old books and records of borough ordinances and the new ordinance book are open to public inspection for the purpose of verification and correction for a period of 30 days from the date of the notice.*

*(c) Certification by secretary of borough.—The secretary of the borough, at the expiration of the notice, shall make all corrections, and shall then certify that all of the ordinances have been compared with the originals and that they are correct copies. After the ordinances are recorded, notice given, and the certificate of correction made, the ordinances so recorded shall take the place of the original record and shall be the valid and legal ordinances of the borough for the period covered by the new ordinance book.*

#### **(b) Enforcement**

**Section 3321. Fines and penalties.**

*An ordinance enacted by borough council pursuant to this act shall prescribe the fines and penalties which may be imposed for its violation and shall, unless otherwise specified in any other law of this Commonwealth, designate the method of its enforcement in accordance with the following:*

*(1) Except as provided in paragraph (2), when the penalty imposed for the violation of an ordinance enacted pursuant to the provisions of this act is not voluntarily paid to the borough, the borough shall initiate a civil enforcement proceeding before a magisterial district judge. The civil enforcement proceeding shall be initiated by complaint or by such other means as may be provided by the Pennsylvania Rules of Civil Procedure. An ordinance which is to be enforced through a civil enforcement proceeding may prescribe civil penalties not to exceed \$600*

*per violation. A borough shall be exempt from the payment of costs in any civil case brought by the borough to enforce an ordinance in accordance with this paragraph.*

*(2) For an ordinance regulating building, housing, property maintenance, health, fire, public safety, parking, solicitation, curfew, water, air or noise pollution, borough council shall provide that its enforcement shall be by action brought before a magisterial district judge in the same manner provided for the enforcement of summary offenses under the Pennsylvania Rules of Criminal Procedure. The municipal solicitor may assume charge of the prosecution without the consent of the District Attorney as required under Pa.R.Crim.P. No. 454 (relating to trial in summary cases). Borough council may prescribe criminal fines not to exceed \$1,000 per violation and may prescribe imprisonment to the extent allowed by law for the punishment of summary offenses. Violations of the property maintenance code or ordinance may also be enforced pursuant to section 3204-A(c).*

*(3) All ordinances enacted prior to the effective date of this clause, other than those regulating building, housing, property maintenance, health, fire, public safety, parking, solicitation, curfew, water, air or noise pollution, shall be deemed automatically amended so that they shall be enforced through a civil enforcement proceeding in accordance with paragraph (1).*

*(4) In addition to or in lieu of enforcement of an ordinance through a civil action or as a summary offense, as provided in this section, boroughs may enforce ordinances through an action in equity brought in the court of common pleas of the county where the borough is situate.*

*(5) Ordinances, whether enforced through civil proceedings or as a summary offense, may provide that a separate offense shall arise for each day or portion of a day in which a violation is found to exist or for each section of the ordinance which is found to have been violated. In the event that such claims for fines and penalties exceed the monetary jurisdiction of a magisterial district judge as set forth in 42 Pa.C.S. § 1515(a) (relating to jurisdiction and venue), exclusive of interest, costs or other fees, the borough may bring such action in the court of common pleas or may, pursuant to 42 Pa.C.S. § 1515(a), waive that portion of fines or penalties that exceed the monetary jurisdictional limits so as to bring the matter within the monetary jurisdiction of the magisterial district judge.*

*(6) Ordinances may provide that any person found guilty of violating an ordinance may be assessed court costs and reasonable attorney fees incurred by the borough in the enforcement proceedings.*

*(7) All fines, costs, penalties, and fees collected for the violation of any borough ordinance shall be paid to the borough treasurer.*

*(8) Borough council may delegate the initial determination of ordinance violation and the service of notice of violation to such officers or agents as the borough shall deem qualified for that purpose.*
