AN ACT

SB 115

Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," in terms and courses of study, providing for cardiopulmonary resuscitation education.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, is amended by adding a section to read:

Section 1528. Cardiopulmonary Resuscitation Education.—(a) In accordance with the academic standards for health, safety and physical education for grades nine through twelve and not later than the beginning of the 2019-2020 school year, the department, in consultation with the Department of Health and at least one organization recognized under section 1205.4, shall identify or develop a model curriculum and curriculum guidelines for instruction on cardiopulmonary resuscitation for public school students in grades nine through twelve.

(b) The model curriculum and guidelines shall:

- (1) be posted on the department's publicly accessible Internet website;***
- (2) be age-appropriate;***
- (3) be revised regularly to remain current with national standards;***
- (4) provide guidance for integration into health courses or other appropriate curriculum requirements as listed in 22 Pa. Code § 4.23 (relating to high school education);***
- (5) be made available to all school entities;***
- (6) include compilation of recommended guidelines and educational materials from organizations with expertise in CPR and emergency care;***
- (7) incorporate psychomotor skills training, including hands-only CPR technique; and***
- (8) include information on the purpose of an automated external defibrillator.***

(c) (1) A school entity that offers instruction in CPR may utilize the model curriculum developed under subsections (a) and (b) or develop the school entity's own curriculum in accordance with academic standards and consistent with guidelines developed under subsections (a) and (b). A school entity may utilize appropriate publicly or privately available materials, personnel and other resources in developing and implementing this instruction, subject to the requirements of section 111 and 23 Pa.C.S. § 6344 (relating to employees having contact with children; adoptive and foster parents).

(2) A teacher, instructor or community volunteer, with the participation of a professional educator with a Pennsylvania certification, including a professional educator certified in physical education or health education

or a school nurse, may provide, facilitate or oversee the instruction offered by a school entity under this section and need not be a certified CPR trainer.

(d) An individual who in good faith provides instruction in CPR to a student under this section shall not be liable for any civil damages as a result of any act or omission relating to the instruction, except for an act or omission intentionally designed to harm or a grossly negligent act or omission that results in harm to an individual to whom the student administers CPR.

(e) A cyber charter school may provide the instruction under this section through the Internet or other electronic means. If a cyber charter school provides the instruction under this section through the Internet or other electronic means, the cyber charter school shall be exempt from the academic standards and guidelines developed under subsections (a) and (b) regarding in-person instructional requirements.

(f) As used in this section, the following words and phrases shall have the meanings given to them in this subsection unless the context clearly indicates otherwise:

"Automated external defibrillator." A portable defibrillator designed to be automated for use by a person without substantial medical training who responds to a cardiac emergency.

"Cardiopulmonary resuscitation" or "CPR." A first aid technique utilizing hands-only compressions of the chest used to revive an individual whose heart has stopped beating.

"Department." The Department of Education of the Commonwealth.

"Psychomotor skills." The use of hands-on practice to support cognitive learning.

"School entity." A school district, joint school district, charter school, regional charter school, cyber charter school, intermediate unit or area vocational-technical school.

Section 2. This act shall take effect in 60 days.
