The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the implementation of the 2019-2020 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in this Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the State provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to sources of revenue, the collection of revenue and the implementation of statutes which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriation Act, the achievement and implementation of a comprehensive budget involves more than subjects of appropriations and dollar amounts. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(6) For the reasons set forth in paragraphs (1), (2), (3), (4) and (5), it is the intent of the General Assembly through this act to provide for the implementation of the 2019-2020 Commonwealth budget.

(7) Every provision of this act relates to the implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the fiscal operations, revenues and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2019-2020 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides accountability for spending and makes transfers or other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of June 28, 2019 (P.L.839, No.1A), known as the General Appropriation Act of 2019.

Section 1.1. Sections 301.1(i)(2) and 1601.2-E(e) of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, are amended to read:

Section 2. Section 1702-A(b)(1) of the act is amended by adding a subparagraph to read:

Section 1702-A. Funding.

(b) Transfer of portion of surplus.—

(1) Except as may be provided in paragraph (2), for fiscal years beginning after June 30, 2002, the following apply:

(xi) If the Secretary of the Budget certifies that there is a surplus in the General Fund for the 2018-2019 fiscal year, 100% of the surplus shall be deposited by the end of the next succeeding quarter into the Budget Stabilization Reserve Fund.
